

11th September 2023

Parent Information Evening for 11S, 11T, 11V, 11W, 11X, 11Z

Dear Parent / Carer

We are delighted to invite you to the Year 11 Parents Information Evening on:

Thursday 21st September.

At this event you will receive important information about:

- The year ahead and how, together, we can make a significant difference to your child's GCSE grades.
- The expectations in English, maths and science and how you can support your child
- Online revision tools which are proven to improve grades
- Research backed advice and guidance about young people's health and wellbeing and the difference small changes can make to GCSE grades.
- Teenage brains and evidence based strategies for memory, recall and revision
- **Our free tuition programme**

The sessions promise to be highly engaging and informative, with plenty of opportunities to ask questions.

Date: Thursday 21st September.

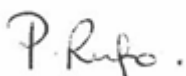

Time: 4.30p.m to 7.00p.m

Venue: Stanley Avenue

Please note, to ensure group sizes are small and all parents have the opportunity to ask questions, this event is exclusively for parents and carers, without students. If you are unable to attend on Thursday, the same event takes place for parents of students in the other tutor groups on Wednesday 20th September. Please let Ms Ranasinghe know if you need to attend on Wednesday instead.

We look forward to meeting you as we embark on these unique, final nine months, and together we support your child to achieve the best possible outcomes for a happy, healthy and successful future.

Warm regards,

Mrs Rufo
Deputy Headteacher

SILVER AWARD
