What is a memphis?

The Memphis Group, also known as Memphis Milano, was an Italian design and architecture group founded by Ettore Sottsass. It was active from 1980 to 1987. The group designed postmodern furniture, lighting, fabrics, carpets, ceramics, glass and metal objects.

Why use memphis?

Like most art, the movement was a counter argument against the rigidity of modern and minimalism. Instead, Memphis Designers wanted to bring out the 'radical, funny and outrageous' – blending Art Deco geometry with pop art style colours and 1950s furniture chic.
