8. Behaviour management

8.1 Core routines

At ACS all staff have been trained to de-escalate situations. We RIP (reprimand in private) and PIP (praise in public) We have the highest expectations of all students as we know that calm and purposeful classrooms are an ideal learning environment.

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the classroom.

They will:

- Ensure that they are fully prepared and on time for lessons
- Meet and greet learners in the doorway
- Create and maintain a safe and stimulating environment that encourages students to be engaged
- Set high expectations for behaviour and learning
- Plan and provide challenging, differentiated, interesting and relevant lessons and maximise learner effectiveness
- Display the student code of conduct
- Use the language of the 4Rs to ensure consistency of both rewards and sanctions.
- Treat all learners fairly and with respect
- Use positive praise and departmental and whole school reward systems
- Develop a positive relationship with students and promote positive behaviour management, which may include:

- Greeting students in the morning/at the start of lessons
- Establishing clear routines
- Communicating expectations of behaviour in ways other than verbally
- Highlighting and promoting good behaviour
- Concluding the day positively and starting the next day afresh
- Having a plan for dealing with low-level disruption
- Using positive reinforcement

8.2 Physical restraint

In some circumstances, staff may use reasonable force to restrain a student to prevent them:

- Causing disorder
- Hurting themselves or others
- Damaging property

Incidents of physical restraint must:

- **Always be used as a last resort**
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded and reported to parents

Details of the school's approach to physical restraint is set out in the Reasonable Use of Force Policy.

8.3 Confiscation

Any prohibited items (listed in section 3) found in students' possession will be confiscated. These items will not be returned to students. Parents will need to make an appointment to collect these items at a time convenient to the school.

We will also confiscate any item which is harmful or detrimental to school discipline. These items will be returned to students after discussion with senior leaders and parents, if appropriate.

Searching and screening students is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#).

8.4 Student support

The school recognises its legal duty under the Equality Act 2010 to prevent students with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the student.

The school will evaluate a student who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met. This will be done through the IIG (Inclusion and Intervention Group which consists of the SEND lead DSL, Intervention lead and Pastoral lead)

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a student, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis.

8.5 Safeguarding

The school recognises that changes in behaviour may be an indicator that a student is in need of help or protection. We will consider whether a student's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm. Where this may be the case, we will follow our child protection and safeguarding policy.

9. Student transition

To ensure a smooth transition to the next year, students have transition sessions with their new teacher(s). In addition, staff members hold transition meetings.

To ensure behaviour is continually monitored and the right support is in place, information related to student behaviour issues may be transferred to relevant staff at the start of the term or year. Information on behaviour issues may also be shared with new settings for those students transferring to other schools.

10. Training

We regularly work together to ensure the best outcomes for our students.

Our staff are provided with training on managing behaviour, including proper use of restraint, as part of their induction process.

Behaviour management will also form part of continuing professional development.

Our staff are provided with training on managing behaviour through positive relationships, including proper use of restraint, as part of their induction process. All staff can refer themselves to the Deputy Headteacher in charge of Personal Development Behaviour and Welfare for personalised support.
