

20 February 2024

Dear Parents/Carers

I hope this letter finds you well. We are thrilled to inform you about the fantastic enrichment opportunities we have planned for our students this half term. At Alperton Community School, we believe in providing a well-rounded education that goes beyond the classroom, and to achieve this, we have organised a variety of exciting enrichment clubs free for your child to participate in.

Participation in these clubs not only enhances academic skills but also promotes teamwork, critical thinking, and social interaction. We believe that your child will benefit greatly from these extracurricular activities, which complement our standard curriculum and contribute to their overall growth.

We would like you to support your child to make a commitment to a minimum of 3 clubs this half term. To make your commitment to these exciting clubs, please complete the [Google Form](#) as soon as possible. We look forward to another half term filled with exploration, creativity, and learning.

Thank you for your continued support in enriching the educational experience for your child.
