Dear Parents/Carers

With the final summer exams beginning in earnest after the Easter Holiday, I am writing to let you know about the exam regulations that all candidates and schools in the UK must follow as set out by the Joint Council for Qualifications (JCQ).

We expect all students sitting exams to fully adhere to these regulations. Failure to do so will result in malpractice and disqualification from receiving any qualifications by the examination body. Full information can be found in this booklet, "Exam Information for Students & Parents – 2024" which can be accessed [here](#).

We will be providing every student with an individual exam timetable soon. This will also be accessible to you via MCAS.

Please note, in the extremely unlikely event of national or significant local disruption to examinations this summer, **JCQ has stated that all students must remain available to take exams up to and including 26th June 2024 with the following dates set aside as contingency days by the exam boards:**

- 6th June 2024
- 13th June 2024
- 26th June 2024

Lastly, please ensure your child is present for the relevant results day.

For Year 13 this takes place on 15th August 2024 and for Year 11 this takes place on 22nd August 2024.

Yours sincerely
