

20 March 2024

Dear Parents and Carers,

As you are aware, Holi will be celebrated by many families in our community next week.

It is important that parents and carers are aware that students are **NOT** allowed to bring colours or paints into school under any circumstances.

Also, students who throw paint or colour **on the way to school** or **on the way home from school** will be severely sanctioned up to and including permanent exclusion.

Please enjoy your Holi celebrations next week, but make sure your children enjoy them at home with your family.

Yours faithfully,

Gerard McKenna  
Headteacher
