Parent / Carer Information

Dear Parent/Carer,

As your child has now started in secondary school, we would like to introduce you to the School Nursing Service. We would like to ask you to complete a Health Needs Questionnaire, which will enable us to support you and your child, working with the school and other agencies with any identified health needs your child may have. Your child will also be given the opportunity to complete a Health Needs Questionnaire in school in addition to the one we ask you to complete.

Invitation to register with Parent Portal
