We are a large, mixed, 11-18 academy with over 350 students in our sixth form. Due to our increased popularity as a school, we expanded our roll in 2018. Alperton Community School is an inclusive school with a student intake that reflects a wonderfully diverse and vibrant local community. Our students are very well behaved, work hard and are ambitious to succeed. Our most recent Ofsted inspection in July 2021 graded our school as Good "Pupils like coming to school and they enjoy their lessons"; "Pupils can focus because they feel safe"; "Leaders' expectations of all pupils are high"; "Pupils behave well in school. They focus on their learning in lessons. Pupils follow teachers' instructions and listen to one another".

Student progress at GCSE and A Level has been above national averages for many years with disadvantaged students performing well above national averages. Our progress 8 score has been consistently "above average". We also see high numbers of our students' progress to Oxbridge and Russell Group Universities. Student attendance and the percentage of students who remain in education, employment or training are also well above national averages.

We are very fortunate to have a brand new school building. The new building has 83 classrooms with purpose-built specialist drama, music, art and DT facilities as well as 14 science laboratories, 10 ICT rooms, a dance studio, an activity studio, a very large sports hall and three outdoor MUGAs. Every classroom is equipped with state-of-the-art ICT facilities. We are very fortunate to have extensive outdoor spaces for break and lunchtime activities as well as a 6 acre sports campus.
