

Dear Parent/Carer,

ACS Culture Day 2025

We are writing to inform you that as part of Alperton Community School's Culture Week all students in Years 7, 8, 9, 10 and 12 will be invited to take part in **Traditional Culture Dress Day on Thursday 3 July 2025**. On this day students are invited to attend school dressed in clothing from their heritage.

At Alperton Community School we encourage students to celebrate each other's culture and heritage as well as their own. This day is a way of celebrating all cultures as well as learning about them. As a school we are proud to encourage all our students to be positive about our differences and embrace and respect one another's beliefs, heritage and views.

Please note that students should attend school in clothes that are reflective of their heritage. Students are encouraged to wear traditional garments that showcase their family culture. Students will be allowed to wear sports shirts/kits which represent their country of heritage.

Students who have PE on this day should not wear their PE kit to school, but should bring it in as normal lessons will be taking place. If students do not wish to participate in this day they must attend school as normal in their full school uniform. Please note, **we will send home any students who arrive in non-uniform not associated with the day or any student wearing items which are not in line with the traditional cultural dress code. Any student who has been sent home will be expected to return to school in full school uniform.**

We ask that all students bring a minimum of **£1 donation** that will go towards Cancer Research. The donation can be brought in on the day with a deadline of **Monday 7 July** for full payment. For more information on the Cancer Research, [please use this link](#)

Thank you in advance for your charitable donations.

Yours sincerely

Ms C Lazare

Deputy Headteacher

The Award for
MAKING A DIFFERENCE -
SECONDARY SCHOOL OF THE YEAR

SILVER AWARD

CULTURAL WEAR GUIDELINES

Culturally traditional outfits such as sarees, plazo, agbada, jalaiya, ankara dresses, etc are acceptable. Please ensure your child dresses modestly. Failure to do so will mean they are sent home to change into their school uniform.

Any students in generic sport and casual wear will be sent home.

Items **NOT** allowed during cultural day:

- Track suits including hoodies
- Jeans
- Leggings
- Jewellery
- Make up
- Heels
