

20th October 2025

Dear Parent/Carer.

Re: Update on School Meal Tariffs

I hope this letter finds you well. We are writing to inform you of an upcoming change to the cost of school meals, effective from 3rd November 2025

Due to rising costs in food supplies, staffing, and operational expenses, we have found it necessary to adjust our school meal tariffs. From the effective date, the price of a standard school meal will increase from £2.70 to £2.80.

- FSM – funding will increase to £2.80
- Menu and pricing will be available on the school website in due course
- The retail menu will also see an increase in line with inflation.

We understand that any increase in cost can be challenging, and this decision has not been made lightly. We remain committed to providing nutritious, high-quality meals that support the health and wellbeing of all pupils. The revised pricing will help us maintain the standards of our meal service and continue to offer a varied and balanced menu.

If your child is eligible for free school meals, this change will not affect your entitlement. We appreciate your understanding and continued support.

Yours sincerely,

Catering Team
