- Advance equality of opportunity between people who share a protected characteristic and people who do not share a relevant protected characteristic

  - Gender reassignment
  - Marriage or civil partnership
  - Pregnancy and maternity
  - Race
  - Religion or belief
  - Sex
  - Sexual orientation

## 2. Legislation and Guidance

This document meets the requirements under the following legislation:

- [The Equality Act 2010](#), which introduced the Public Sector Equality Duty and protects people from discrimination
- [The Equality Act 2010 \(Specific Duties\) Regulations 2011](#), which require schools to publish information to demonstrate how they are complying with the Public Sector Equality Duty and to publish equality objectives

This document is also based on Department for Education (DfE) guidance: [The Equality Act 2010 and schools](#), the [technical guidance for schools from the Equality and Human Rights Commission](#) and [guidance from the Government Equalities Office on meeting the specific duties that support the Public Sector Equality Duty](#).

### 3. Role and responsibilities

The governing board will:

- Ensure that the equality information and objectives as set out in this statement are published and communicated throughout the school, including to staff, pupils and parents/carers
- Ensure that the published equality information is updated at least every year, and that the objectives are reviewed and updated at least every 4 years
- Delegate responsibility for monitoring the achievement of the objectives on a daily basis to the headteacher

The Chair of Governors is the equality link governor. They will:

- Meet with the designated member of staff for equality every year, and other relevant staff members, to discuss any issues and how these are being addressed
- Ensure they're familiar with all relevant legislation and the contents of this document
- Attend appropriate equality and diversity training
- Report back to the full governing board regarding any issues

The headteacher will:

- Promote knowledge and understanding of the equality objectives among staff and pupils
- Monitor success in achieving the objectives and report back to governors
- Have “due regard” when making a decision or taking an action to whether it may have particular implications for people with particular protected characteristics

All school staff are expected to have regard to this document and to work to achieve the objectives as set out in section 8.

## 4. Eliminating discrimination

The school is aware of its obligations under the Equality Act 2010 and complies with non-discrimination provisions.

Where relevant, our policies include reference to the importance of avoiding discrimination and other prohibited conduct.

Staff and governors are reminded of their responsibilities under the Equality Act, for example during meetings. Where this has been discussed during a meeting it is recorded in the meeting minutes.

New staff receive training on the Equality Act as part of their induction.

The school has a designated member of staff for monitoring equality issues, and an equality link governor. They regularly liaise regarding any issues and make senior leaders and governors aware of these as appropriate.

## 5. Advancing equality of opportunity

As set out in the DfE guidance on the Equality Act, the school aims to advance equality of opportunity by:

- Removing or minimising disadvantages suffered by people which are connected to a particular characteristic they have (e.g. pupils with disabilities, or gay pupils who are being subjected to homophobic bullying)
- Taking steps to meet the particular needs of people who have a particular characteristic (e.g. enabling Muslim pupils to pray at prescribed times)
- Encouraging people who have a particular characteristic to participate fully in any activities (e.g. encouraging all pupils to be involved in the full range of curricula activities)

In fulfilling this aspect of the duty, the school will:

- Share attainment data with governors each academic year showing how pupils with different characteristics are performing
- Analyse the above data to determine strengths and areas for improvement, implement actions in response and publish this information
- Make evidence available identifying improvements for specific groups (e.g. declines in incidents of homophobic or transphobic bullying)
- Publish further data about any issues associated with particular protected characteristics, identifying any issues which could affect our own pupils

## 6. Fostering good relations

The school aims to foster good relations between those who share a protected characteristic and those who do not share it by:

- Promoting tolerance, friendship and understanding of a range of religions and cultures through different aspects of our curriculum. This includes teaching in RE and personal, social, health and economic (PSHE) education, but also activities in other curriculum areas. For example, as part of teaching and learning, pupils will be introduced to literature from a range of cultures
- Holding assemblies dealing with relevant issues. Pupils will be encouraged to take a lead in such assemblies and we will also invite external speakers to contribute
- Working with our local community. This includes inviting leaders of local faith groups to speak at assemblies, and organising school trips and activities based around the local community
- Encouraging and implementing initiatives to deal with tensions between different groups of pupils within the school. For example, our school council has representatives from different year groups and is formed of pupils from a range of backgrounds. All pupils are encouraged to participate in the school's activities, such as sports clubs. We also work with parents to promote knowledge and understanding of different cultures
- We have developed links with people and groups who have specialist knowledge about particular characteristics, which helps inform and develop our approach

## 7. Equality considerations in decision-making

The school ensures it has due regard to equality considerations whenever significant decisions are made.

The school always considers the impact of significant decisions on particular groups. For example, when a school trip or activity is being planned, the school considers whether the trip:

- Cuts across any religious holidays
- Is accessible to pupils with disabilities
- Has equivalent facilities for boys and girls

The school keeps a written record (known as an Equality Impact Assessment) to show we have actively considered our equality duties and asked ourselves relevant questions. This is recorded at the same time as the risk assessment when planning school trips and activities. The record is completed by the member of staff organising the activity and is stored electronically with the completed risk assessment.

## 8. Equality objectives

**Objective 1:** All students to maximise their potential in examination results (GCSE and A Level) each year. Success will be measured by individual student performance in public examinations and the school closing any gaps in attainment and progress between groups in the school, particularly disadvantaged and vulnerable students.

To achieve this objective we will analyse public examinations and internal assessments and the DHT (Outcomes) will implement improvement plans to close any gaps.

This equality objective will be monitored and reviewed by the Curriculum and Standards Committee.

**Objective 2:** To sustain outstanding attendance i.e. at least 95% overall with persistent absence of no more than 10%. To ensure that no particular group or key stage in the school is over-represented in the absence or persistent absence statistics thereby ensuring that all students have access to the curriculum. This will be measured by analysis of attendance data.

To achieve this objective we will rigorously analyse student attendance and the AHT (Pastoral) will liaise with the attendance officer and EWO to plan and implement personalised interventions.

This equality objective will be monitored and reviewed by the Staffing and Students Committee.

**Objective 3:** To sustain outstanding personal development, welfare and behaviour at all key stages by ensuring that no particular group is over-represented in exclusion figures for fixed term or permanent exclusions.

To achieve this objective we will analyse all behaviour data and exclusion statistics and the AHT (Pastoral) will liaise with the pastoral team and Brent Inclusion Services to implement interventions.

This equality objective will be monitored and reviewed by the Staffing and Students Committee.

**Objective 4:** All new buildings, refurbishments and facilities will be planned to take account of the needs of all users in respect of equality of access.

To achieve this objective we will ensure that all new buildings and refurbishments will be compliant with legislation and will allow equality of access.

This equality objective will be monitored and reviewed by the Finance and Premises Committee.

## 9. Monitoring arrangements

The headteacher will update the equality information we publish at least every year. This document will be reviewed by the governing board at least every 4 years.

This document will be approved by the governing board.
