

Dear Parent/Carer,

22 May 2026

Y11 students have made an excellent start to their written exams, thank you for your support. Exams continue after half term so please ensure your child is fully focussed and engaged in revision during the half term break. If your child is expected to attend school for intervention during half term you will receive a message from Ms Gibbs with full details. Please ensure your child is in full uniform.

As exams for some subjects have now concluded, from 1st June there is greater flexibility with regards to attendance. The following are scheduled:

- Examinations
- Pre Exam Revision
- Lessons in subjects for which exams have not yet concluded.

Please click on the link below for a detailed Y11 timetable for the first week back after the half term break. The schedules for the remaining weeks will be shared with you and with students prior to each week.

[Y11 Schedule 1st June to 5th June](#)

If your child is not attending one of the scheduled sessions, he / she may study at home. If your child prefers to study in school, the study room and library are open to accommodate this.

Please ensure your child arrives at the times indicated in the schedule and reports to the office for registration. Equally important for safeguarding is that your child reports back to the office when leaving the site. The timetable and procedures have been shared with students via Google Classroom and the Y11 VIP Zone. If, however, there are any questions, please do not hesitate to get in touch. I hope this more flexible approach is beneficial to your child as he / she prepares for the remaining exams.

Yours sincerely

Ms P. Rufo

Deputy Headteacher
