Hamilton says Barcelona win beyond wildest dreams

Lewis Hamilton says he was struggling to find the words to express how much his first victory for Ferrari meant to him after winning the Barcelona-Catalunya Grand Prix.

The seven-time champion, in his second season with the team, won from Mercedes' George Russell and McLaren's Lando Norris.

That made it the first all-British podium in F1 since the 1968 United States Grand Prix, won by Sir Jackie Stewart from Graham Hill and John Surtees.

Hamilton had a difficult first season with Ferrari, failing to finish on the podium in any of the 24 grands prix, though he did win the sprint race in China.

He said: "How do you find the right words to express an emotion that's beyond your wildest dreams?"

Y10 Cricket Result v Heston Community School

Year 10 saw their cup run come to an end with an 8 wicket loss to Heston Community School.

Alperton batted first and lost regular wickets to only post 50 at the end of their batting innings.

Heston started strong and reached the total with 5 overs to spare. Well done to all students for their participation in the Knight Stokes Cup this year!

Weekly Staff Profile: Miss Smith

I have been involved in sports and physical activity since school. I always took part in school clubs including Fitness, Rounders and Cheerleading in year 8! (Yes I am not joking! We came second in regionals! You wouldn't see me cheerleading now but it was fun at the time). Since then, I like to go to the gym, go on walks with my family and dog and enjoy doing spin and yoga classes.

I had the privilege of going on the school Ski Trip this year and had an fantastic time. I had never skied before and it was the perfect place to learn. If you ever get the opportunity to go I would highly recommend it! I would like to also note that I only fell over twice and both times wasn't my fault - shout out to Savannah and Mr Yoxall!

I have also done the three peaks challenge to raise money for the charity 'action against hunger'. The National Three Peaks Challenge involves climbing the three highest peaks of Scotland, England and Wales, within 24 hours. This is one of the hardest things I have ever done and still to this day I don't know how I did it.

I have supported Fulham Football Club for a while now (If you are taught by me you might've seen my Fulham Premier League Cards on my wall) and have been to several games at Craven Cottage. Everytime I have been we have won! I hope to keep the trend at every game I see!
