Upcoming Event

We are excited to announce our upcoming PTFA Fundraising Challenge, which will take place during the December break!

The Goal: Each child is challenged to raise £20.26 by completing 26 chores at home over the break.

The Theme: *Helping Around the House!*

This fun and meaningful challenge encourages children to take on more responsibility at home, develop valuable life skills and understand the importance of helping others. From tidying their bedrooms and setting the table to helping with laundry or washing up, every little task counts!

How to Take Part:

- **Each child is encouraged to complete 26 chores at home during the December break.**
- **The target is to raise £20.26 through sponsorship from family and friends.**
- **Sponsorship forms will be sent home in November.**
- **The child who raises the most money will receive a special prize from the PTFA!**

We warmly encourage all children to participate and hope parents and carers will support and encourage their efforts. This is a wonderful opportunity for children to contribute to family life, build independence and make a positive difference while raising funds for our school.

Thank you for your continued support. We look forward to seeing our children rise to the challenge!

Happy fundraising, and happy helping!

If you would like to support us please do get in touch.

Save the date!

Following the success of our very first Summer Fair last year, where we welcomed over 60 stallholders and sold out all available pitches, we are already looking ahead to our next event.

If you are interested in having a stall at our Summer Fair, please get in touch as early as possible to avoid disappointment. We expect demand to be high, and early enquiries will help secure your place.
