20 March 2020

Dear Parent/Carer

RE: REMOTE LEARNING

Further to my previous letter regarding the escalation of the Covid-19 pandemic and the partial closure of the school, our plan is to support all students who are asked to stay at home as best as possible.

As part of this plan, we aim to:

- Support our students in terms of their academic provision and progress;
- Support our parents/carers in supporting their son's independent learning.

The School has made plans to ensure the vast majority of the curriculum will continue to be planned and delivered using digital technology.

Individual subjects will:

1. Set independently designed lessons to be completed as per your son's timetable.
2. Set all work through various means.
3. All staff will continue to update these digital areas and set tasks for as long as any closure continues.
4. Set tasks that allow students to submit work back to their teachers.

Every one of our students has their own EGS email account, which acts as access to the School Website, which gives direct access to **Google Classroom**, **Google Drive** and **SmartHomework**.

Your son will be set work via **Google Classroom**, **Google Drive** and **SmartHomework**.

Finally, please see the Remote Learning presentation on the School Website, which has further details on specific subjects. Link here: [Remote Learning](#)

For specific information on MyMaths, Kerboodle, GCSEPod and Seneca see below:

MyMaths: Main school login is **enfieldgs** and the password is **fibonacci**. Any other queries seek advice from your son's maths teacher

Kerboodle: Logins have been provided via your son's science teacher

GCSEPod: Students (Yr9-Yr11) were originally advised to sign up and use their school username and password to access the material. Any queries please contact Mr Pieri on: office@enfieldgrammar.org

Seneca Learning: Students can log on using their school email address. Individual subjects will advise and guide on the use of Seneca Learning.

If you have any further difficulties or are having trouble with the Remote Learning Resources, please contact the School on 020 8363 1095.

Yours sincerely
