11 March 2020

Dear Parent/Carer and students

## **Re: Sixth Form Examination Period and Year 12-13 Progression Week**

I am writing to outline the examination period for this summer, and the transition programme for Year 12 into Year 13. Please take careful note of information outlined below.

This information will also be outlined in assembly and on the school website.

### **Key dates for your diaries:**

Mon 25 May	Sixth Form House Closes for External GCSE and A Level Exams. Year 12 move to a year 13 registration timetable, which means that they will only need to attend morning registration if they have a lesson period 1. Private Study to be done at home. (3 hrs timetable per week)
Mon 15 June - 19 June	Year 12 Mock Exams begin. Year 12s have exam leave during this time and will only be expected to be in school, when they have an exam. Timetable to be shared. Exams to take place in the Sportshall. LANYARDS MUST BE WORN TO ALL EXAMS
Mon 22 June – 26 June	Progression week commences for students who have completed exams. This is compulsory, unless students are on work experience. Students still with an exam to see Mr Berkun for arrangements.
Monday 29 June	Year 11 Transition day - Year 12s to finalise personal statements at home.
Friday 10 July	Year 12 Re-sit exams
Thurs 16 July	All students will have a Progression Meeting – times will be arranged for each student
Tues 8 September	Year 13 timetables issued and lessons begin (Date to be confirmed)

### **Examination Leave 15 – 19 June 2020**

During examination leave students are only required to be in the school for examinations, or any assigned/pre-arranged revision sessions. Exam sessions will be at 8.45am, 11.30am and 2pm. Anyone one with a clash to see Mrs Jeffrey.

The focus is now solely on the summer transition mock exams. The final weeks will concentrate on developing areas that need improvement and we encourage students to communicate with staff any areas they would like to focus on in class time.

The library will be available for any Year 12 students wishing to use this space during examination leave but the Sixth Form House is closed during the summer exams. Full school uniform rules remain in place.

**One year Retail/Business Enterprise students will not be on examination leave – lessons will continue as normal**

## **Progression Week: Monday 22 June – Fri 26 June 2020**

The Year 12 Progression Week is compulsory for all students unless they have a work experience placement. It is designed to provide support and advice for students beyond Sixth Form to enable the preparation of University and Apprenticeship applications. The objective is for all students to have at least two progression routes prepared, and a personal statement completed, so all are able to apply for their chosen pathways early in Year 13.

It is important to note that the Progression Week will include:

- **Monday 22 June:** Guest speaker, UCAS Registration, course application, Gap Year & Ex-student talks
- **Tuesday 23 June:** A trip to Sussex University (am) and Brighton seafront/pier (pm); students will also be given time to explore Brighton Pier and Seafront
- **Wednesday 24 June:** Career workshops to help prepare applications to university, apprenticeships or alternative routes. These sessions will be led by guest speakers from IBM, Uptree, Ask apprenticeship & Nat West
- **Thursday 25 June:** A trip to the UCAS Conference at Bedfordshire University
- **Friday 26 June:** UCAS Registration continues, Personal Statements and Mock Interviews

**During each visit students will be given free time in small groups and a draft outline is attached to this letter**

All school based activities will require students to wear school uniform.

For trips students are requested to come in appropriate clothing for the day.

In order to participate in all the trips students must return the reply and parental permission slip attached no later than **Friday 3 April**.

**FOR THE TRIPS TO BE RUN SUCCESSFULLY WE ARE ASKING FOR A VOLUNTARY CONTRIBUTION OF £30.00**

### **Examination results and Progression to Year 13 meetings**

Summer examination results will be published on Tuesday 14 July. Students will then attend their progression into Year 13 meeting on Thursday July 16 with a member of the Senior Leadership or Sixth Form Team. During this meeting a decision on progression into Year 13 will be made based on results (minimum D grade), attendance and attitude, as well as a decision about on-going subject pathways. Attendance at this meeting is essential. Meeting times will be confirmed with students on collection of results.

I appreciate that this is a busy period for students as they are rightly focused on their examinations, however, please ensure all reply slips are returned by **Friday 3 April**.

Please contact me at school if you have any further questions.

Yours sincerely

**S Berkkun**

**Mr S Berkkun**  
**Head of Year 12**
