

Government Scheme for Free School Meal Students

Students who are entitled to Free School Meals have all been registered for the Government E-Voucher Scheme.

Each child is entitled to £15 per week through this scheme since the beginning of April i.e. the start of the Easter holidays. E-codes have been distributed by EdenRed (the Government's chosen supplier) to the Email addresses we have on your son's School records.

Due to the volume of traffic on the EdenRed Platform, we encountered severe delays in getting the initial codes distributed but subsequent enhancements made to the platform have now evidenced improved performance.

If your son qualifies for Free School Meals and you have not yet received your E-Codes, please check the SPAM emails as well as your inbox for receipt. The email would have come from EdenRed.

Two emails would have been dispatched w/c 20 April and the 3rd email was distributed yesterday in 2 week blocks i.e. £30 per student.

Parents are now redeeming these codes so, if you have not received them, please email the School Office so that we can check we have the right contact information for you. Office@enfieldgrammar.org
