An Outstanding Venue for Functions & Events

Thank you for your interest in the facilities Enfield Grammar School proudly has to offer.

Founded in 1558, Enfield Grammar School is steeped in history and charm. It is an incredibly popular choice of venue for private and corporate events and also as a filming location, due to the wonderful character of the buildings, often fondly referred to as "Hogwarts II".

Our buildings and extensive grounds, maintained to a very high standard, make a wonderful backdrop for photo opportunities for all occasions; whilst our sports halls and pitches are ideal for regular sporting or one-off events.

Whether for weddings, afternoon tea-dances, picnic concerts, birthday or anniversary celebrations; quiz nights, exercise classes or a conference - our friendly and professional on-site team are always happy to help.
