WHAT WE DO

- Our ESOL Foundation course provides the perfect foundation for learners who have English as a second language.

The course will develop speaking, listening, reading, and writing skills and will cover different topics, depending on English level as well as learning about life in the UK.

Additionally, the course includes Maths and IT and after successful completion, you will achieve accredited certification.

Components:

- | | |
|---------------------------|---------|
| - ESOL | Edexcel |
| - Functional Skills Maths | Edexcel |
| - BTEC ITQ | Edexcel |

Levels:

- Entry Level 1 to Level 2

Age:

- 16 to 19

All our ESOL courses help to improve confidence, team building and communication skills and enhance the skills employers are looking for.

This course is ideally suited to students who have recently moved to the UK but have not achieved the Level 2 qualifications needed for further education. The course can be used as a pathway to higher level courses at John Leggott College the leading Sixth Form college in the area.

Former ESOL students have moved on to technical courses, Higher Education, and employment.
