

February Values Newsletter

Happy New Year! As there was no January newsletter due to things being a little hectic, there is a lot to report on this first half term of 2021.

Firstly, congratulations to those pupils and staff who received Values Awards in December for Honesty: Jack (Year 5), Prem (Year 6), Nimmy (Year 7),

Charlotte (Year 8) and Miss Patten for the staff. We also managed to record and share our Christmas service for the school to enjoy.

Many thanks to the Key Stage 3 pupils who participated by reading and playing and spreading a bit of Christmas Spirit: Matteo, Henri, Lily, Jim, Blythe, Sam, Kalin, Noah, Will, Amelia and Corbin.

Last month's value was Aspiration and who could have imagined 18 months ago when the Values Ambassadors chose that value for this month, how appropriate it would be. It has been hard showing aspiration when we are in lockdown, but nevertheless the children of Edward Peake are managing it. There have been so many who have really risen to the challenge of the situation and have made the best of it.

Congratulations

As there are so many aspiring to do their best, it was felt that one child from each class at school and at home should be rewarded, so the list is a little longer than usual!

Home Learners:

Year 5: Lyla, Megan, Cobi, Wiktorja, Noah, Joseph

A huge well done to one and all. Keep aspiring to do great things!

Cooperation

“Two are better than one because they have a good return for their labour.” Ecclesiastes 4:9

Our February value is Cooperation.

- Cooperation is getting along with others
- Cooperation is working to achieve a common goal
- Cooperation may mean compromise

Perhaps you could try the following ideas to help you to show cooperation in your daily life?

- Be polite to others
- Aim to find ways of working together rather than against each other
- Discuss problems and try to solve them with others to help

Let us use the opportunities we have to work together to overcome the current situation and to look to the future.
