Remote Teaching of Reading

Woodcroft has implemented ways to improve our teaching of reading during lockdown. To help pupils we introduced two apps that will be used in every class from Nursery to Year 6: these are **Readworks** and **Edpuzzle**.

Step By Step Guide to using EdPuzzle

An important part of being at school is children listening to their teacher reading aloud and discussing books. Teachers will be reading aloud and recording short videos that pupils will watch using Edpuzzle. To help parents help their children access these reading videos Mrs Seth-Smith has created a step by step guide to using Edpuzzle.
