

TRINITY  
CATHOLIC COLLEGE  
AND SIXTH FORM

Our Ref: MDI/MDO/FIH

12<sup>th</sup> February 2021

Dear Parent/Carer

We are excited to inform you that we have organised for all year 10 students to have Tassomai in Maths and Science. Tassomai is an online learning platform that uses the educational principles of spacing, interleaving and targeted repetition to help students improve their grades. It works by spreading their learning into bite-sized chunks over as long a period of time as possible. As students answer questions the site begins to learn where their strengths and weaknesses are, allowing the site to target specific gaps in their knowledge - it also makes it easier for our teachers to see where your child may need some extra help.

Tassomai will be the primary form of homework in Maths and Science. Students are expected to complete four daily goals per week for each subject; however, they have the flexibility to choose the days on which they do this.

Students can use Tassomai on any internet enabled device and there is an app which is completely free to download from both the Appstore and the Playstore.

The more the student puts into Tassomai the more progress students will make. If a student completes the course, Tassomai guarantees that they will achieve at least a Grade 5 or even higher in that subject.

Parental engagement with your child's education is one of the most important factors in ensuring that your child makes excellent progress. Therefore, we ask that you take the time to look at the benefits of Tassomai and encourage your child to sign up. To find out more about Tassomai, you can visit their website which is; [www.tassomai.com](http://www.tassomai.com)

We would also like to direct you to a clip of a parent sharing their experience of Tassomai.

[dixon.m@trinity.npcat.org.uk](mailto:dixon.m@trinity.npcat.org.uk)

Good luck on starting your journey to excellent progress with Tassomai.

Yours sincerely

Mrs Dixon and Miss Dorgan
