

Task 1

Olympian Interview.

You are a reporter, who has been given the opportunity of a lifetime. You have been given the chance to go to the Olympics, and interview an Olympian of your choice.

You need to create a list of 10 questions that you could ask the athlete, that will give you a great insight into their life and career.

Once you have written your questions, you must then put yourself into the Olympian's position, and answer the questions how you think they would.

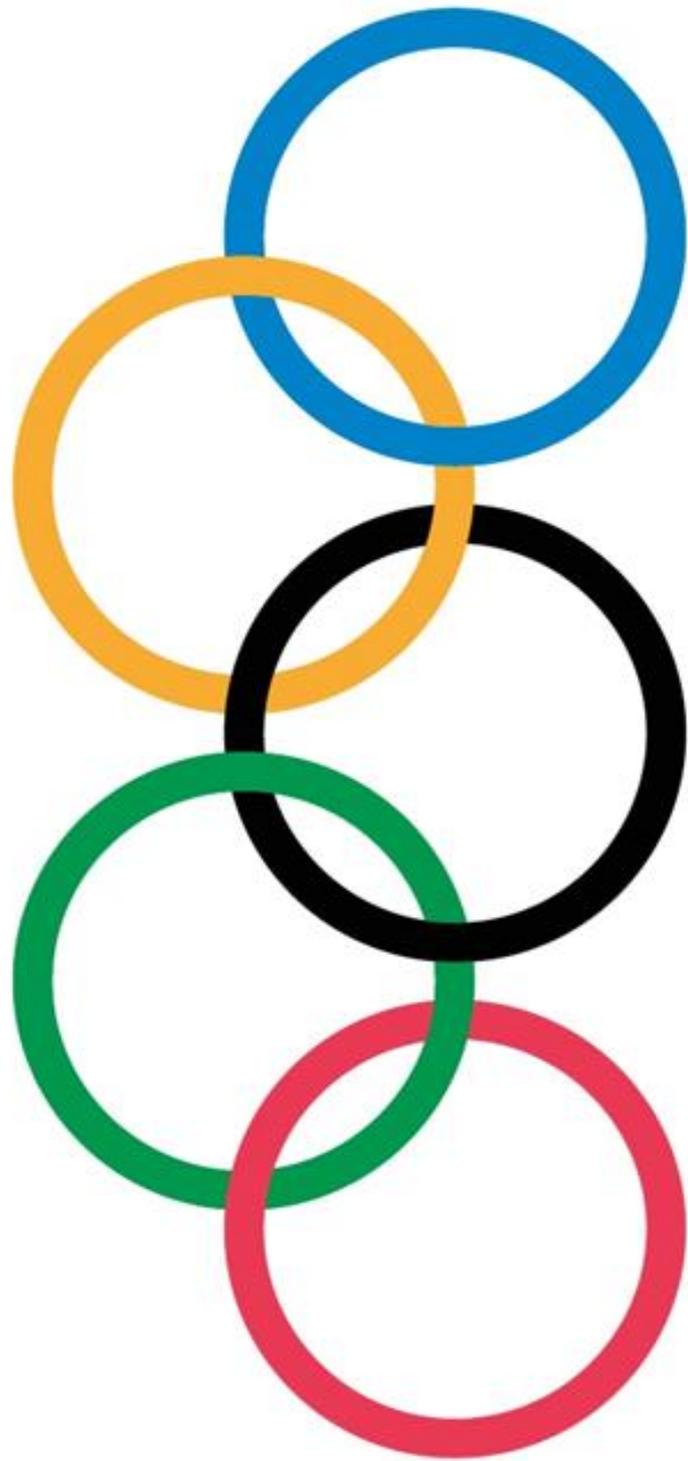

Task 2

Olympic Logo Task

You have been asked by the Head of the International Olympic Committee to create a new logo for the Olympics.

He has asked you to use the same 5 rings as above, however you must draw inside the rings. You can choose what you draw inside each ring, however it must represent the Olympics.

To complete this task, you will need to print off a blank copy of the Olympic rings to draw on. There is one on the page below.

Task 3

Geography of Sport Task

For this task, you must work out where each sport listed was created, and what year it was first played.

Once you have worked out where a sport is from, you must then draw a line from the correct country on the World Map below, and write the sport and the year beside it.

You need to print off the World Map on the page below to annotate. I have given you an example to start you off.

You must find the matching country for these sports:

Football

Baseball

Ice Hockey

Karate

Tennis

Golf

Sumo Wrestling

Boxing

Badminton

Table Tennis

Volleyball

Netball

Football
