February 2021

Dear Parent/Carer,

During these challenging times, we want to ensure that students eligible for benefits related free school meals can continue to access support if they are not in school during term time. Please find enclosed a supermarket voucher to the value of **£30 per child** to spend at the supermarket on the voucher. The voucher is for the specified supermarket taken from your previous choice or a widely available store in the north east. This voucher is for Monday 22nd February to Friday 5th March, only.

- Simply take the enclosed voucher to the supermarket and the barcode will be scanned at checkout
- You do not need to spend the full value of the voucher in one transaction
- Please check the retailer's own website, or call the retailer directly for terms and conditions and for balance and expiry date enquiries
- Once you have redeemed the full balance of the voucher, please dispose of it as the vouchers are single use only and cannot be topped up

Please note that the supermarket vouchers **cannot be used to purchase age restricted products, such as cigarettes and alcohol.**

Please refer to the parent/carers user guide for help:

Yours sincerely
