

In a Spaceship Song

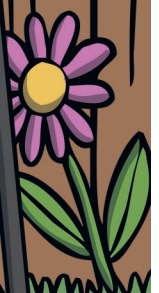

(Sing to the tune of 'Are You Sleeping?'/ 'Frère Jacques'.)

In a spaceship, in a spaceship,
Up so high, up so high.
Aliens are coming, aliens are coming,
Through the sky, through the sky.

In the garden, in the garden,
The washing, the washing.
Where are all the clean pants? Where are all the clean pants?
They're missing, they're missing!

Aliens take them, aliens take them,
Did you know? Did you know?
Hiding from the people, hiding from the people,
Off they go, off they go!

In the morning, in the morning,
Getting dressed, getting dressed.
Check inside for aliens, check inside for aliens,
That is best! That is best!
