

Aliens from Outer Space Song

(Sing to the tune of 'Twinkle, Twinkle, Little Star'.)

Aliens from outer space,
Look for pants in every place!
Travelling from near and far,
Past the planets and the stars.

Aliens from outer space,
Look for pants in every place!

Aliens of blue and green,
They are hiding – can't be seen!
Hiding in the laundry box,
In amongst the pants and socks!

Aliens of blue and green,
They are hiding – can't be seen!

Grab the pants and off they fly!
Back into the dark night sky.
When you get dressed, take great care,
That there are no aliens there!
Grab the pants and off they fly!
Back into the dark night sky.
