

## Testing Privacy Statement

### Ownership of the Personal Data

To enable the Covid-19 testing to be completed at Trinity Catholic High School, we need to process personal data for staff and students taking part, including the sharing of personal data where this is allowed under data protection legislation. Trinity is the Data Controller for the data required for the management of tests and implementing local arrangements in the event of a positive test and undertaking any actions which are needed by the school to ensure we meet our public health, welfare and safeguarding legal obligations.

Personal data relating to tests for students is processed under article 6 (1) (e) of the UK GDPR (public task). This is based on the school's proprietor's official authority for the conduct of the school (Section 175 of the Education Act 2002 for maintained school).

We will process special category personal data under the provisions Section 9.2(i) of GDPR, and Part 1 of Schedule 1(3) of DPA 2018 where it is in the public interest on Public Health Grounds to ensure we can minimise the spread of COVID in a timely manner and enable us to continue to deliver education services as safely and securely as possible. This data is processed under the obligations set out in Public Health legislation (Regulations 3(1) and (4) of the Health Service (Control of Patient Information) Regulations 2002 (COPI)) which allows the sharing of data for COVID related purposes and where it is carried out by a health care professional **OR** someone who owes an equivalent duty of confidentiality to that data.

### Ownership of the Personal Data you share with DHSC

Every time you use a lateral flow test you must report the results. More details can be found here - [Report a COVID-19 test result - GOV.UK \(www.gov.uk\)](#). The Department for Health and Social Care (DHSC) is the data controller for the information that you transfer to them about you and your test results. For more information about what the DHSC do with your data please see their [COVID-19 Privacy Notice](#)

Trinity remains the Data Controller for the data we retain about you for the management of tests and implementing local arrangements in the event of a positive test.

You should read both this Privacy Notice and the DHSC COVID-19 Privacy Notice to understand how your personal data is used prior to taking a test.

## Personal Data involved

The following personal data is processed by the school in relation to your test:

- Name
- Unique code assigned to each individual test and which will become the primary reference number for the tests.
- Test result

For more information about what the DHSC do with your data please see their [COVID-19 Privacy Notice](#)

## How we store your personal information

The school will maintain a test kit log which will record against your name details of the testing kit which has been provided to you. The school may also record Personal Data about you in its internal COVID-19 test register (this COVID-19 test register will not be shared with DHSC). This information will only be stored securely on locally managed systems with appropriate access controls in school and will only be accessible to personnel involved in the management of tests and implementing local arrangements in the event of a positive test.

The school will retain its test kit log and COVID-19 test register for a period of twelve (12) months from the date of the last entries made by the school into them.

For more information about what the DHSC do with your data please see their [COVID-19 Privacy Notice](#)

## Processing of Personal Data Relating to Positive test results

We will use this information to enact our own COVID isolation and control processes without telling anyone who it is that has received the positive test.

For more information about what the DHSC do with your data please see their [COVID-19 Privacy Notice](#)

This information will be kept by the school for a period of twelve (12) months and by the NHS for eight (8) years.

## Processing of Personal Data Relating to Negative and Void test results

We will record a negative and void result for the purpose of stock controls of tests and general performance of the testing process.
