Dear Parent/Carer

## RE: OFSTED INSPECTION FEEDBACK

I am writing to you to share some headlines from our recent OFSTED feedback. I am not yet able to provide you with the outcome of the inspection, the judgement remains confidential until the report is finalised and published. I appreciate your understanding and patience in this matter.

I am pleased to report that I found the OFSTED team's findings to be incredibly fair and perceptive. Their conclusions aligned well with our own self-evaluations. The feedback session on Wednesday evening left me feeling tremendously proud and optimistic about the progress we have made since our last inspection in 2018. It is heartening to know that the collective efforts of parents, students, staff and governors have been duly recognised during the 2 day inspection.

I want to take this opportunity to express my gratitude for your continued support and involvement in our school community. Your dedication as parents, your son's commitment as students, and the tireless efforts of our staff and governors have all played a significant role in the positive outcomes noted during the inspection.

As soon as the inspection report is finalised and published, I look forward to sharing it with you in its entirety. I believe you will find it as affirming and encouraging as I did during the feedback session.

Once again, thank you for all that you do to contribute to the success and growth of our school. Your ongoing support is truly appreciated.

Yours sincerely

Chris Lamb  
Headteacher
