

6th December 2012

Dear Parent/Carer,

Please find attached the necessary paperwork for the mobile device leasing scheme. You should already have received an introductory letter about this earlier in November. Information has also been published on the school website.

You will need to complete the Form of Parental Commitment and a Direct Debit mandate, should you wish to proceed with this scheme. The monthly cost and lease period (12/24 months) will need to be written on the Form of Parental Commitment, in section 3. Please also put on the form the name of your chosen device (prices are attached, specifications can be found again at the URL below). The deadline for the return of these forms is Wednesday 19th December 2012, and we expect delivery early in the Spring term (when devices arrive in school they will need to be collected and signed for by parents). Completed forms should be sent to the following address:

FAO: D Marshall

Marden High School

Any forms received after this date will not be able to access this scheme within this Academic year.
