

July 2014

Dear Applicant,

DESIGN & TECHNOLOGY/STEM TECHNICIAN

Thank you for your interest in this key position which is to commence on 1 September 2014.

Marden High School is a high attaining school which achieved record breaking GCSE results last year, making it one of the highest achieving non-selective schools in the North.

Our design & technology department is currently expanding and will soon boast its own STEM centre. We need to recruit a technician who is passionate about STEM subjects and able to demonstrate a high level of knowledge and competence in electronics, computer aided manufacture, materials and resources preparation and computer aided design software within the specific areas of electronics, graphics, product design and food technology.

If after reading the attached material you would like to apply for the post please complete the attached application form and submit it, together with a letter of application no longer than 2 sides of A4, outlining your experience to date, and telling us why you are the perfect candidate for this position. Please do not enclose a CV as it will not be considered. Applications should be emailed to a.davidson@mardenhigh.net or posted to the school address.

The closing date for applications is 9am on Friday 11 July. Interviews will be held the following week.

If you would like an informal briefing about this opportunity, do not hesitate to contact me.

Yours faithfully,

Jonathan Morris
Headteacher

All members of staff at Marden High School are periodically required to undergo rigorous safeguarding checks as part of our commitment to the safety and welfare of our students.
