Dear Parent / Carer

FINAL GUIDED CHOICES SUBJECT SELECTION

Students in Year 9 have been attending assemblies with Curriculum Leaders, to hear about their choices for Key Stage 4 subjects. The presentations are available on the Website for you to view, within the Learning tab in the Guided Choices document. During PSCHE lessons students have researched further and have had guidance from Form Tutors. In the last week of January, students will have 'taster lessons' from each Curriculum Area.

There will be a Parents Evening on Wednesday 4 February 4pm - 6.30pm, when you will be able to talk to subject teachers about your child's progress this year, and then visit the Main Hall where subject specialists will be able to answer your questions about their course. Appointments will be made by Parent Portal.

On Tuesday 10 February, there will be a Consultation Day from 8am until 6pm, and you are invited to make a 15 minute appointment to speak to senior members of staff about this important decision. Advisors from Connexions will also be present at the Consultation Day, should you wish to seek information. Students will attend the appointment with you and the actual Choices Form will be completed at the consultation.

Due to Health and Safety restrictions some subjects will have limited numbers. Students will be selected on the basis of their suitability for the course.

If you have any questions about the process please contact me through school.

Yours faithfully

J Bloomfield (Mrs)
Assistant Headteacher
