

24 February 2016

Dear Parents, Carers and Students,

It is with the deepest sadness that I am writing to inform you of the devastating news that Olly Bilcliffe one of our students passed away last night. Olly was a bright, articulate and popular student who had a love for sport and particularly football. A kind and generous young man with a memorable smile, who I know will have touched the lives of many in our community here at Marden High School.

Our thoughts and prayers are with Olly's family and also his friends, of whom there are many. This is clearly going to be a very difficult time for them but also for all of our students and you their families in supporting them through this as we are a small and tight community. We will of course provide support in school and have liaised with the local authority to ensure that there will be specialist colleagues in school today.

As always I know that we will remain strong and united as we support each other through this tragic time.

Yours faithfully

Mrs J Bloomfield
