Dear Parent/Carer

Marden High School New Building Dates

As you know we are moving into our new school on Monday 5 September 2016.

The Local Authority have agreed that we may take four days to complete the moving process.

We intend to use Wednesday 20 July 2016 to complete the packing process. Then three days in September for the unpacking process.

This will mean that students will break up for the Summer Holiday on **Tuesday 19 July 2016**, then return to school on **Thursday 8 September 2016**.

I hope that this early notification will enable you to make appropriate arrangements.

Yours faithfully

Mrs Joan Bloomfield
