17 May 2016

Dear Parent / Carer

**Preparing for new GCSE Sciences
Opt-out notification**

All Year 9 students are completing an examination paper on Wednesday 18 May 2016. This will be marked by AQA, the examination board, to give an indication of the students' readiness for starting the new GCSE Sciences course.

From time to time Marden High School uses anonymous examples of students' work within our internal exemplification and guidance materials to illustrate particular points. Marden High School has been approached by Exampro/Doublestruck who would like to request permission to use anonymous examples of your child's work (in paper form and electronically) for inclusion within their exemplification and guidance materials to illustrate particular points to all teachers. As indicated above, all materials used are anonymous.

If you do **not** wish for your child's work to be anonymously used within exemplification and guidance materials produced by Exampro/Doublestruck, please can you make a copy of this letter, insert you child's name in the space provided below, and then sign and date the letter. Please return the letter to school for the attention of the School Secretary.

If you have any questions regarding the content of this letter please do not hesitate to contact the school and ask for Mrs Glover.

Yours faithfully

W Glover

Mrs Wendy Glover
Head of Science
