Foundation

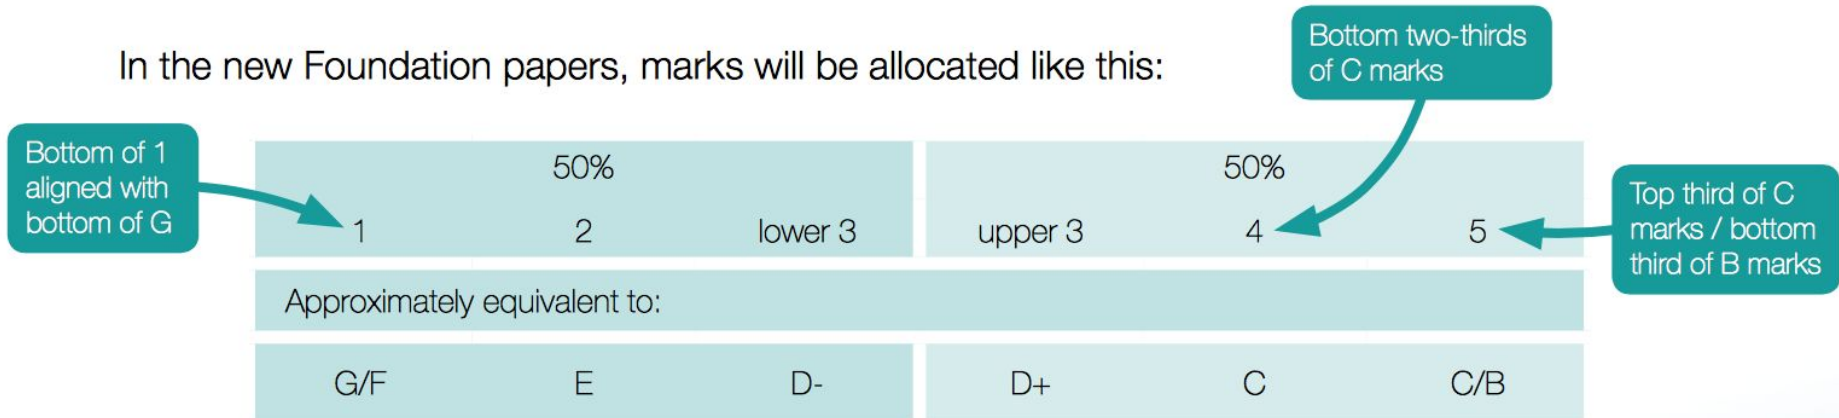

Foundation

Foundation papers now start at, and reach, a higher level.

The marks on current Foundation papers are allocated like this:

In the new Foundation papers, marks will be allocated like this:

Higher

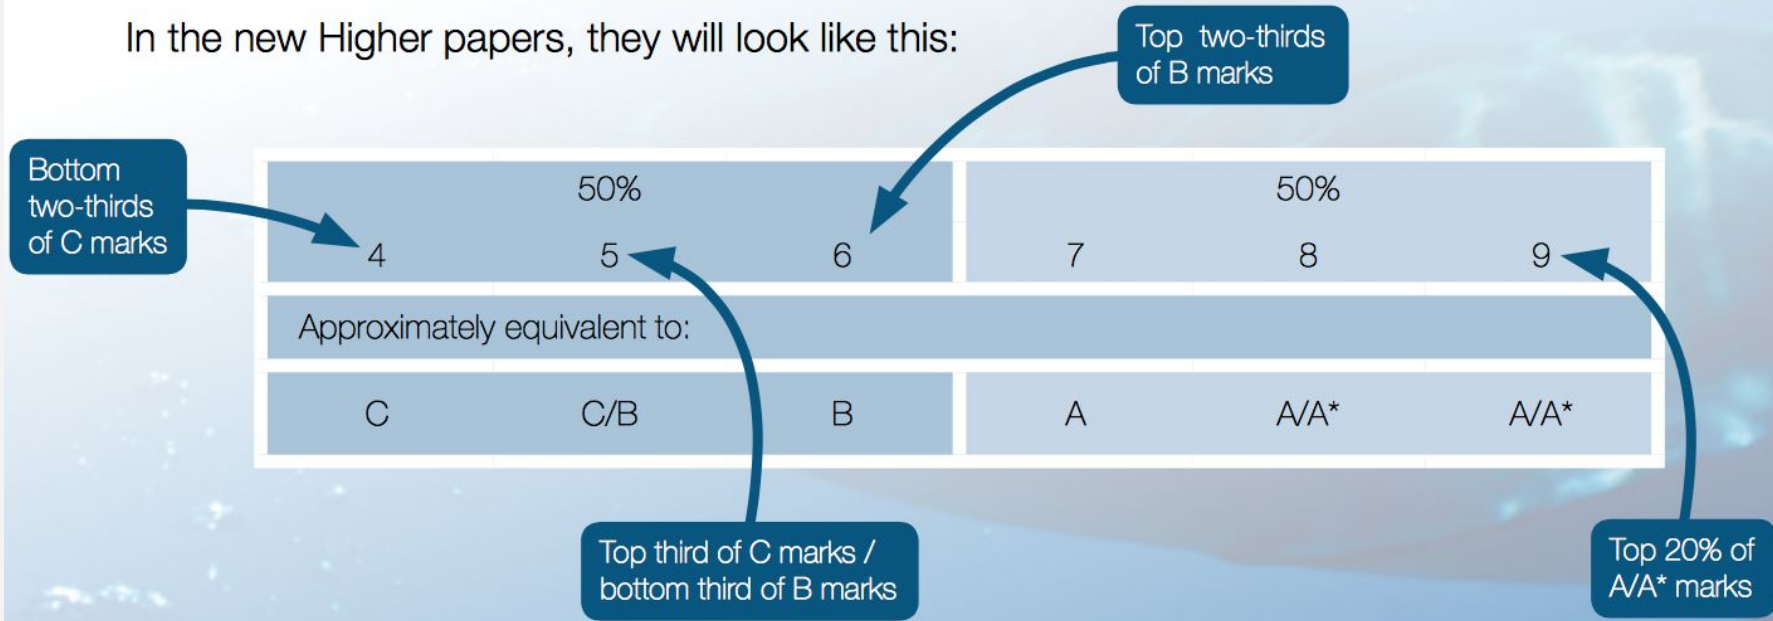

Higher

Higher tier papers now start at a higher level than in the current GCSE, which starts at grade D.

The new Higher tier papers will cover 6 grades instead of 5, allowing for more differentiation at the top end of the grades. Previously, 25% of questions were targeted at A/A*, but now 50% of questions in each paper are targeted at the equivalent grades, 7–9.

In the new Higher papers, they will look like this:
