

Student Travel

Dear Parents and Guardians,

Does your child travel to school or college by bus? If so we've got the perfect solution!

Arriva student saver passes are available for students of any age, who are in full time education, in the North East.

You can save up to 25% a year by signing up to the direct debit scheme.

Student saver passes will not only cover their journeys to and from school, but can also be used to travel at evenings, weekends and throughout school term holidays.

Arriva's Direct Debit scheme allows parents or guardians to spread the cost of their child's ticket over affordable monthly payments. It's an easy way to pay for travel and there's no contract involved, making it an ideal way to get reduced fair bus travel for the whole year, without paying upfront.

It's a simple process to apply, to arrange your Direct Debit please visit:

To ensure delivery of tickets in time, please allow at least two weeks to register before the date of your first direct debit payment;

Once registered, you can choose a smartcard or mobile ticket. This ticket will rollover every month for as long as the direct debit remains active.
