Dear Parent,

I'm writing to you to introduce myself as the Principal of XP Doncaster Secondary schools. As you may have seen on the website before the Christmas holidays I have been appointed into the role recently with a view to continuing to champion the beautiful work our students and staff produce daily within our schools.

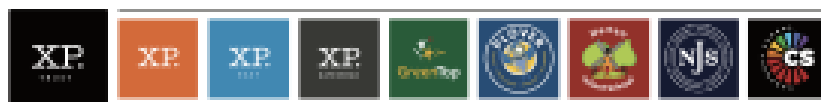

I have met the students in both schools over the past fortnight and look forward to getting into their lessons to see how they demonstrate the habits of work and learning in their daily activities over the next few weeks. As I have worked within the trust for many years I bring a secure knowledge of crew, expeditionary learning and high levels of accountability. I look forward to working with you, the students and the staff to continue to reflect on our practises and celebrate the character growth, beautiful work and academic success of each and everyone of our students.

Already I am blown away by the dedication of the staff and students in the activities they provide for students, D6, enrichment timetable and immersion activities to name just a few of the things I've witnessed already. I am privileged to be able to continue to access the support and challenge of the Trust executive team, Mr Butler, Mr Sprakes, Mr Ap Harri and Mrs Butler. [As mentioned in Mr Portman's update in July](#), he will continue to work closely with our secondary schools and our leadership team as he continues to support the other schools within the trust as instructional leader of teaching and learning.

I look forward to working with you all and meeting many of you during the student-led conferences, presentations of learning and passage presentations later this term.

With thanks,  
Mrs Claira Salter  
Principal
