Wednesday 7th September 2022

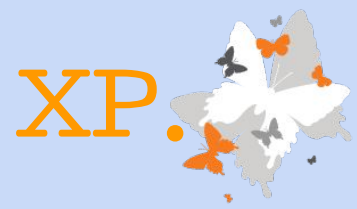

Reminders

As we start Y10 sessions properly, there are just a few things we'd like to remind you about!

- Devices - it's fantastic to see lots of you bringing devices every day - even better if you bring your chargers, too! Crew Leaders will be checking equipment each morning :)
- Please do not go into the other schools at breaks/lunches - this will be challenged and followed up with a consequence.
- How many of you arrived on time this morning? For every minute you are late... we'll double that time for you to stay after school! Punctuality is vital!
- We're hoping extended study will be up & running soon - we'll keep you up to date!
- Dress Code - as lovely as the summer holidays have been, please remember to dress appropriately for school - no crop tops, tiny shorts, offensive wording on clothing, no sliders!
