Appreciations & Praises (no apologies today!)

Adios and buena suerte to
Y11 XP Spanish group from
Mrs Sprakes, thank you
for your hard work and
hope you have a RESTFUL
summer!

I was your learning coach in year 8 at both schools and I have treasured my time with you all since then. I've been so lucky to have spent so much time with you in Y10 & 11 and will truly miss every single one of you. You have my heart and my respect and I wish you all the joy and success in the world. Take your Next Steps with pride and I will always be here for you all 😎

Y11.

I can't express how much it has been a pleasure to teach you these last two years. I've seen SO many of you find your voices as artists (even the ones who said they hated art all the way through...)

You are some of the most wonderful humans I've taught in my career. I have gotten really close to so many of you and I will honestly miss you SO MUCH!

Thank you for such an incredible two years. I can't wait to hear what you all do in the future.
Love you millions!!!

Miss Taylor

To XP/ XP East

It has been a fantastic journey this last 5 years teaching you all. It has been a pleasure to take you on extra curricular fixtures and fieldwork.

We would like to wish you all lots of luck in the future.

It's been a pleasure to teach you this year for history - I know it's been tough at times but your hard work, enthusiasm and determination will really pay off!

I'm so proud of the effort you have put in, from revision sessions to extra practice questions, you've all grown in your independence.

Stand out students have been Tom, Sam, Lynden, Faith, Caitlin, Safi, Charlie + Charlie and Josh AG for continued hard work and contributions over the entire year and Mckenzie for those last few months of hard work after starting to believe in yourself!

Good luck everyone for the future - Mrs WW x

Safi, Amelia, Kristian and Liam - and Bella!

I'm so pleased with your quiet determination over the last 2 years in GCSE Geography, I know we've had a lot of content to squeeze into LOOL but you've always been so positive and not let it phase you and just powered through it.

Attendance at revision has been fantastic and I'm really proud of you all - you are all really XP in the best possible way.

Well done, Mrs WW x

Guys, where do I even start?? I am so immensely proud of every single one of you - it has been an absolute pleasure teaching you this year! You have made me smile every single lesson (yes, Lynden, even you and your 'nonsense!').

You have all made so much progress this year, especially in your Spanish speaking, but also in your confidence and your character. You are all awesome human beings! I would give honourable mentions but I would be listing every single one of you - you have all been amazing.

Now it's your time to shine even brighter - go out there, explore the world, and continue to inspire the people around you (hey, you may even bump into Mr Pearson!).

It's been a privilege to get to know you guys.

You are my fire. Believe me when I say I feel genuinely sad and a bit lost thinking that you are all off for new adventures without me. When we are two worlds apart, remember the good times we had. I wish we could just go round again together but you are ready for the next chapter and I want it that way. Although I'm sad to see you go, ain't nothing but a heartache.

Please keep in touch to tell us all about what you get up to.

Miss Cross

Thumbs up, heads down and just keep swimming. So long guys!

Hey you lot!!!

What can I say, being able to watch you grow and mature has been a pleasure.

We shared some amazing times together, the good the bad and ugly. But I wouldn't change any of it for a gold pig!

I wish you all the very very best for your future adventures.

Remember us always, you will always be part of Crew.

Mrs Watson - love love x

E26,

I have loved working with you for the past 2 years. Every day is fun, I will miss you all so much. You've become my little/big family. It has been amazing to watch you all mature into beautiful people.

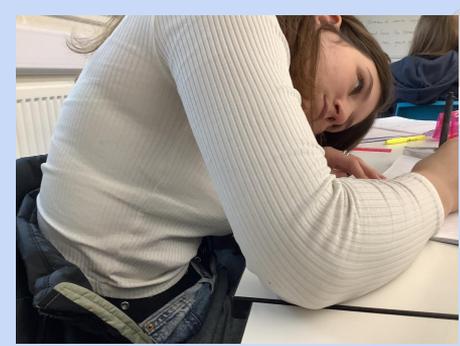

I'll miss Lynden and Sam's banter, the Charley K sass, Rihanna's RBF, JD's muggies on my phone, Dan E's close to the bone comments, Robert's kind ways, honestly I could say something amazing about all of you.

Go show the world how awesome you are...proud of you.

Crew Mercury,

You are a magical bunch of people and I am genuinely sad to be saying goodbye. Knowing that you all are going on to bigger and better things now is bittersweet because I wish I could see where you go and what incredible things you'll end up doing.

Thank you for the last year, even through the ups and downs I have been awed by the level of work and dedication you have put into your GCSEs and I am so proud of each and every one of you.

See you soon,
Miss Wade x

C26 LOOL - Citizenship

What a group!

I am going to miss you guys so much. I genuinely am not exaggerating when I say you have been the highlight of my week for the past two years. Seeing you guys debate, grow and turn into individuals capable of expressing strong opinions has been an honour.

You have made me laugh, challenged my own perception on issues and impressed me so much with your hard work and dedication!

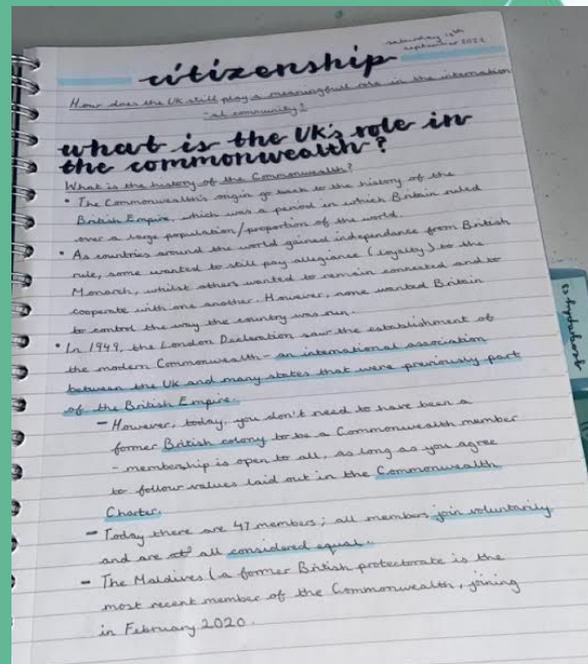

Please keep us posted on your next journey! Go out there and smash it!

You are such an amazing bunch, you never fail to make us laugh each in your own way.

The bonds you have as crew are so special. There have been ups and downs but seeing you have each others backs and hold each other to account over the past few years has been a privilege.

We can't wait to see what each and every one of you gets up to in your next steps.

Thank you for just being awesome and keeping us in check!

I have no idea where to begin... which feels a lot like it did on the very first day but for very different reasons!

I am truly going to miss you all. I was blessed to be bunched with such a dissimilar group of lovable rogues who have formed the most special bond which I don't think will ever be recreated.

I am so proud of each and every one of you, we have grown together and now it's time for us all to start new chapters remembering the hilarious stories we share.

Remember, when the going gets tough there's always a pot of gold waiting at the end... or a bus!

C26 Ethics

I can't not give this group a shoutout!

Even though I only had E26 for a little while and popped into X26 Ethics at times, you are all amazing individuals!

I am so excited to hear about where you all end up. I have no doubt you will all accomplish great things.

Appreciate you all!

ALL OF YOU will forever hold a place in my heart. I will miss you all so much. You are the first bunch of students that I have ever had the pleasure of working with. You all have your own little quirks and things that make me smile. I really cannot wait for updates on your new adventures. GRAB this opportunity with both hands and show the world how **AWESOME** you all are! I love each and everyone of you - even you Rhys.....(if you're actually here - I know you're swearing right now, so one last time STOP IT!!)

Don't be strangers, please come and see us!

Lots of love

For being the best year 11s I have ever taught.

Thank you for making me excited to come to work every day.

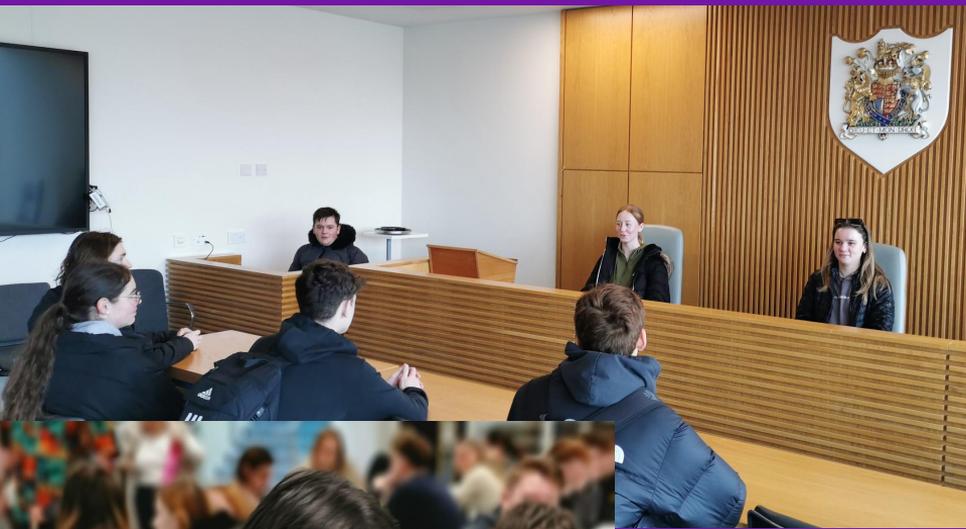

There has not been a single hour when one of you hasn't made me smile.

What will I do without you?

Please keep in touch.

Mrs D (probably silently sobbing)

Oh... and thanks to Liv S for being my fashion inspiration!

To the Class of C26,

We just wanted to wish you all the luck for your future.

The world is literally your oyster, go have fun, see the world, work hard, be Kind and just be amazing!!!

You have been a pleasure to have in school and you will all be missed.

Mrs Vayro and Mrs Batty :)

Dear C26

You started XP when I did, and you saw me
moustache-less.

I've seen you all grow up from wee little babbies into
amazing young people.

You have changed my life forever, and you have changed
XP forever.

I love you all so much,

Mr N (the actual best)

Dear C26

You made me the teacher I am today. I learned so much from you guys and I can't express how much I will miss you and how important you are to me.

The art of resilience and relationship building is the biggest lesson you lot taught me!

Go live your best life :)

Miss Ibbo

It has been an absolute pleasure and joy (and sometimes a challenge!) to be part of your XP East journey over the past two years...

You've all impressed me with your work ethic and focus, and I truly believe you are all going to make the world a better place.

Thank you for making my job a little bit easier this year ;) (And a special thanks to Crew Obama for the tea parties!)
