

Y11/C27 WEEKLY PLANNER

W.B 9/9/24

GCSE Information Evening

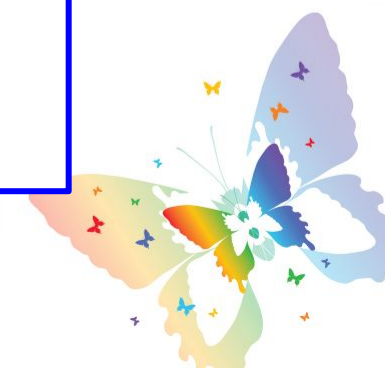

We would like to invite all Y11 parents and students to our **Y11 GCSE Information Evening** at XP East on **Wednesday, 11th September from 5-6pm.**

This evening will focus on providing information about exam layout/content, revision/work required for each exam and component. This was a really useful evening last year to ensure parents know how to best support our wonderful Y11s throughout their GCSEs. Subject leads and teachers will also be around if you have any questions.

We look forward to seeing you on Wednesday!

Please see the following slide for the after-school learning lab sessions.

These are **compulsory** - so, if you have received a letter asking you to attend these sessions, you **must** be there!

The sessions are an opportunity for you to have some extra targeted support to help you achieve your expected grades.

If you have any question or concerns please contact your subject teacher.

We apologise that these were unable to run during our first teaching week back.
