Welcome Back, Adventurers!

This week has been an exciting one for our school, with two fantastic residential trips giving our pupils incredible experiences beyond the classroom.

The Hive spent the week at **Crosby Lakeside**, diving into a range of thrilling **water-based activities**. From canoeing to sailing, our young explorers showed great enthusiasm, teamwork, and resilience while learning new skills and enjoying the beautiful surroundings. (see next page for more information and photos)

Meanwhile, **Year 6** are returning tonight from their unforgettable week in **Seville**! This cultural adventure allowed them to work alongside our **partner school**, immersing themselves in Spanish traditions, language, and daily life. Their trip also included visits to breathtaking landmarks, including the **Plaza de España** where they admired the stunning architecture, explored its grand walkways, and soaked in the vibrant atmosphere. They took in the intricate tilework, captured memorable photos by the fountain, and truly appreciated the beauty of this iconic Spanish landmark. It was an experience they won't forget!

We are so proud of all our pupils for embracing these experiences with curiosity and excitement. A huge thank you to the staff who made these trips possible, and to families for their support. We hope everyone has made wonderful memories—now, let's hear all about your adventures!

Welcome back, everyone!

Butterfly Class

Having sung their hearts out during the Autumn term and raised close to £1000 in various busking sessions; the children of Butterfly class have been on their residential this week.

The visit, which sees our intrepid explorers stay away from home for 3 nights took place from Tuesday to Friday this week.

Children and staff have taken part in a range of water activities on the lake in Crosby including Bell Boating, Kayaking and Stand up Paddleboarding.

The children have stayed at the Bunk Barn @ Crosby Lakeside, the accommodation is self catering and the children have helped design the menu for the duration of the stay. (A lot of nuggets and chips)

A big thank you to all the staff team who have helped make these amazing memories for children.

Paediatric First Aid Course

A Paediatric First Aid Course for parents is booked for Friday 4th July 9am-12.30pm in the School hall. More information to follow.

LFC Experience

Some of our Year 6 children went along to the opening of the new Cruyff football pitch at Anfield Sports Centre. Some also had the chance to meet Liverpool player Ryan Gravenberch.

Prayer and Liturgy

Sixth Sunday of Easter

Jesus gives the disciples a very special gift – the gift of peace. Let's think some more about peace today.

A reading from the holy Gospel according to John 14:23-29

Jesus said to his disciples:

“Whoever loves me will obey my teaching. My Father will love him, and my Father and I will come to him and live with him. Whoever does not love me does not obey my teaching. And the teaching you have heard is not mine, but comes from the Father, who sent me.

“I have told you this while I am still with you. The Helper, the Holy Spirit, whom the Father will send in my name, will teach you everything and make you remember all that I have told you.

“Peace is what I leave with you; it is my own peace that I give you. I do not give it as the world does. Do not be worried and upset; do not be afraid. You heard me say to you, ‘I am leaving, but I will come back to you.’ If you loved me, you would be glad that I am going to the Father; for he is greater than I. I have told you this now before it all happens, so that when it does happen, you will believe.”

Jesus gives his disciples a very special gift. Can you remember what that gift is?

Jesus gives his disciples peace. And he tells his disciples not to be afraid.

Can you think of a time when you were fighting or arguing with someone? How did you feel?

Can you remember a time when other people were arguing near you? How did you feel then?

Can you remember a time when you stopped fighting with someone and made friends with them again? Or when the argument near you ended and the people forgave each other? How did that feel?

CAFOD is a part of a family of Catholic charities around the world called Caritas. CAFOD is supporting their Caritas sisters and brothers to reach communities in need in Ukraine and neighbouring countries because of the war.

Caritas workers have set up places where children living in Ukraine can go to feel safe despite the war. Maria helps run art activities for the children to help them cope with what is going on around them. She says of the children, “We try to play with them, paint together, just create a safe space and make contact.”

Some children in other countries around the world where there is lots of fighting or violence go to peace clubs. These clubs focus on sport, music or dancing to bring different children together somewhere safe and to help them to learn to live peacefully together. This helps to build peace in their community.

How do you think you can build peace? Think about how you speak to and treat others you disagree with, or how you could be friendly to someone who doesn't have many friends?

What could you do to stop someone else from being unkind to others? Or how could you let people in power know that you would like to live in a peaceful world?

How will you share the gift of peace this week in your community? And around the world?

Living God,
may we bring the light of your peace
to those we meet.
Help us to find a peaceful way
to solve our problems,
so that the world may be a safer place
for everyone to live.
Amen.
