

ZONE 1
Astro

An aerial photograph of a city street scene. The street runs vertically through the center. To the left of the street, there is a parking lot with several cars and a yellow forklift. To the right of the street, there are residential houses and a blue swimming pool. Five zones are labeled with white boxes and black text: Zone 1 (Astro) is in the top left, Zone 2 (Monkey Bars) is in the top right, Zone 3 (Slide) is in the middle left, Zone 4 (Crash Mat) is in the bottom left, and Zone 5 (Roaming bottom) is in the bottom left. The street has a yellow center line and a white dashed line on the right side. The houses are mostly two-story buildings with red roofs. The swimming pool is a small, rectangular pool with a blue cover. The forklift is a yellow machine with a long mast. The cars are parked in a lot next to the street. The overall scene is a typical urban environment.

ZONE 2
Monkey
Bars

ZONE 4
Crash
Mat

ZONE 3
Slide

ZONE 5
Roaming
