Emergency Contact Details

Please ensure that your contact details are up to date with the school office. If you are unable to come and collect your child in an emergency or if they are taken ill in school, you should have a back up plan in place for someone to come and pick them up.

Parking

Thank you to those of you who are respecting the need to keep the front of the school clear on Oakfield. This allows prams and buggies on the pavement as well as keeping the road clear and reducing the danger for pupils. Please remember to do the same outside the houses of residents as well.

Preparing for Summer

During the hot weather, please send children into school with a cap and water bottle. Please ensure that you put sunscreen on your child before they come to school. If your child does bring sunscreen into school, they must not share it with other children due to potential allergies. If your child suffers from hayfever, please make the school is aware of this. If they require medication, please give them this before they come to school.

Wake and Shake

Every Wednesday and Friday, don't forget we have our Wake and Shake on the playground. Don't miss out and get into school early!

Our Y6's are currently working on an enterprise project called the fiver challenge, which is a fun way of developing core enterprise and financial education skills, including problem solving, confidence, creativity and teamwork. Each child receives £5 and sees how much they can make it grow. Once the challenge is complete, they will have to pay back the initial £5 and then choose what they spend their profits on, if they make any. They will be selling to staff and pupils over the next couple of weeks.

Events/marketplace will be taking place during the children's break times. Should children wish to purchase products please bring money in on these days. Prices will range from 50p - £1.50.

Dear Parents / Carer

At All Saints Catholic Primary School, we are fortunate that the majority of parents and carers appreciate that educating our pupils involves partnership between all of the school community. A good working partnership is important to equip pupils with the necessary skills for adulthood and we welcome and encourage parents and carers to fully participate in the life of our school. Unfortunately, the behaviour of a minority of parents and carers can impact negatively upon the good working partnership. We believe that all school staff, parents, carers and pupils are entitled to a safe and protective environment in which to learn and work. The purpose of this letter is to provide a reminder of the conduct expected from all visitors to our school.

Disruptive behaviour

For many of us this may come as a surprise, however a third of schoolteachers nationally have suffered abusive behaviour from parents and carers in the past. We firmly believe that all members of the school community have the absolute right to work and be in school without fear of aggression or abusive behaviour from parents and carers. Such behaviour can be through face to face contact, in written communications, on the telephone or by the use of social media and can present a risk to staff and pupils. To support a safe school environment, we cannot tolerate parents, carers or visitors who exhibit any of the following behaviour:

- Use of loud and/or offensive language or display temper
- Threaten to carry out actual bodily harm to any other person on school premises
- Damage/destroy school property
- Intimidate any other person on school premises
- Make vexatious or malicious allegations against a member of the school community, either in writing or via direct contact verbally
- Insult any member of the school community in an attempt to demean or undermine

The above list is not exhaustive and any individual exhibiting disruptive or unreasonable behaviour will be considered in accordance with the school's Code of Conduct [Behaviour Policy Sept 24.docx - Google Docs](#). The school may ultimately decide to impose restrictions on an individual when entering the school premises including a ban from school entirely, which may also extend to non-admittance to school events such as pupil plays/assemblies and communications restricted to writing or via a third party.

Dear Parent,

ELECTION OF PARENT GOVERNOR(S)

I write to invite nominations from parents to fill 1 vacancy for Parent Governor on the Governing Body.

The successful candidate will become a full member of the Governing Body and serve for 4 years with effect from September 2025.

To be eligible for election, your child must be a registered pupil of this school when the election takes place. Details of the election procedure and nomination form are enclosed.

Governing Body meetings of this school are usually held twice per term at 4.30pm on Thursday but this could be changed if necessary to suit the convenience of the majority of Governors. Meetings usually last for approximately two hours.

Effective governing bodies require expertise and experience in analysing performance data, in budgeting and driving financial efficiency, and in performance management and employment issues.

All governors need a strong commitment to the role and to improving outcomes for children, the inquisitiveness to question and analyse, and the willingness to learn. They need good inter-personal skills, appropriate levels of literacy in English and sufficient numeracy skills to understand data. Nominations would be particularly welcome from parents who are able to demonstrate these qualities.

It is important that appropriate checks are made on anybody who will be working in a school to prevent unsuitable people from gaining access to children. Accordingly, new governors must agree to provide proof of identity and undergo a check in line with current advice issued by the Department for Education.

If you wish to have further information regarding being a governor I should be pleased to answer your queries. Alternatively, you may wish to contact the School Governor Services team: telephone 233 3939 or email terry.brown@liverpool.gov.uk.

Yours sincerely,

Mrs J. Maguire
Headteacher

Attendance and Punctuality

It is important that your child is on time for school each day, so that they can benefit from a full day's education.

A reminder that holidays during school time are not authorised whatever the circumstances and a local authority fine will be issued. If you do take your child on holiday, please inform us before you go as it could become a safeguarding issue if we cannot contact you.

Please report any absences before 9.00am via Seesaw or telephone call. If you have any difficulties getting your child to school and especially around lateness please contact Mrs Kelly.

If you are taking your child out of school during the school day, you must show a letter/email/ appointment card. Please do your best to make appointments outside of school hours.

Supervision After School Hours

We would like to remind you of our after-school supervision policy to ensure the safety and well-being of all our students. Please be aware that there is no supervision available for children after the end of the school day. It is important that all children are picked up promptly at the end of their school day.

For safety reasons, any child who is not collected by 3:45 PM will be placed in our Night Owls provision. This ensures that all children are supervised in a safe environment until they can be picked up. Please note that there is a £10 charge for this service, which will be billed to parents.

We appreciate your cooperation in ensuring that all children are picked up on time and that our school remains a safe and secure place for everyone.

Thank you for your understanding and support.

Absence Reporting - Seesaw

When reporting an absence please make sure you select both the 'Absence Reporting' and 'School Office' options as well as your class teacher.

This will ensure the right staff are receiving the information needed and you are not being contacted unnecessarily.

If you are sharing information regarding collection of a child or appointments they may have, please make sure you select the 'School Office' option as well as your class teacher.

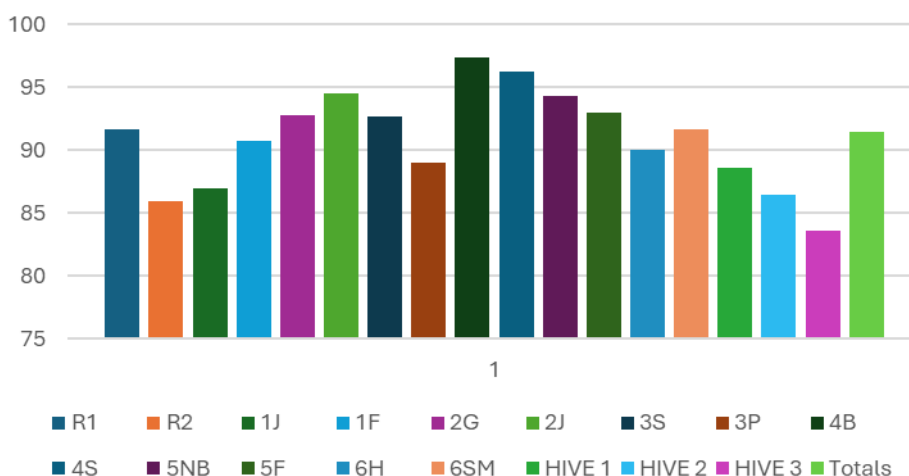

Thank you!

Good school attendance supports children to feel confident and happy about school and learning

As a parent you can support your child to enjoy school life to the full by ensuring they **attend school EVERY day and also arrive on time.**

Prayer and Liturgy

Corpus Christi (The Body & Blood of Christ)

This week we hear how Jesus performed a great miracle with bread for five thousand people. Let's find out why this miracle is so important to us as well.

A reading from the holy Gospel according to John Luke 9:11-17

Jesus welcomed the crowds, spoke to them about the Kingdom of God, and healed those who needed it. When the sun was beginning to set, the twelve disciples came to him and said, "Send the people away so that they can go to the villages and farms around here and find food and lodging, because this is a lonely place."

But Jesus said to them, "You yourselves give them something to eat." They answered, "All we have are five loaves and two fish. Do you want us to go and buy food for this whole crowd?" (There were about 5,000 men there.)

Jesus said to his disciples, "Make the people sit down in groups of about fifty each." After the disciples had done so, Jesus took the five loaves and two fish, looked up to heaven, thanked God for them, broke them and gave them to the disciples to distribute to the people. They all ate and had enough, and the disciples took up twelve baskets of what was left over.

After a long day listening to Jesus, the disciples want to send the crowd away to find food and shelter. But Jesus says that the disciples have to feed the people themselves. Why does Jesus want the disciples to feed the people? Jesus wants the disciples to care about the people that they meet and whether they are hungry or not. He wants God's love to be shown through the disciples. So, what happens next? What does Jesus say and do? Jesus took the five loaves and two fish, blessed them, broke them up and asked the disciples to share them around.

In the gospel, through God's grace, everyone, all 5,000 people, eat the bread and the fish, and there is plenty left over. Twelve baskets full! What do you think the disciples and the other people said to each other when this happened? Imagine you are in the crowd of people who have come to Jesus. You were hungry and had no idea where you would find food. But then because of Jesus' miracle you get given something to eat by the disciples. How do you feel? What would you like to say to Jesus after you've eaten some bread and fish?

Do you remember to thank God for the food that you eat every day? And what about the people who grow, harvest, prepare, sell and cook your food? Do you thank them? Even though there is enough food produced in the world to feed everyone there are many people who go without food every day – both here in the UK and in other countries. How does it make you feel to hear that? Do you think it is fair?

We are all members of one global family. We are all parts of one body – the body of Christ. So if one person is hungry, it is like we are all hungry. Just like Jesus asks the disciples to feed the crowd in today's reading, we are also asked to do whatever we can to make sure that everyone has enough to eat. What do you think we can do to help make sure everyone can get enough food?

One of the things we can do is to ask the government to support the people around the world who grow food, not the big companies. Another thing we can do is to share whatever we can with one another.

This week let's give thanks for the food that we have. Let us remember to thank God for all that we have been given, as well as thanking and praying for all the people who are involved in getting the food we eat from the farm to our table. Let us also try to do one thing this week to help make the world a fairer place, so that everyone has enough to eat.

Jesus, you come to us as bread and wine.
Fill us with your kindness
and give us the strength
to change the world for the better.
Amen.
