## Names on Personal Items

Play is a very important part of our curriculum at All Saints and this is particularly evident in our OPAL provision at break and lunch times. Some of the areas for playing are physical and might require children to remove shoes, cardigans, jumpers or jackets. As most of the children have uniform and shoes that look alike (for example black school shoes), we kindly ask that ALL items of clothing, including each shoe, be labelled with your child's name. This will help us to ensure that children can locate their clothing and pieces don't go missing or end up with the wrong child. Thank you in advance for your cooperation on this!

## Allergies

As we begin the new school year, I'd like to remind everyone of our commitment to keeping All Saints Catholic Primary School a safe and inclusive environment for all children. We have several pupils with severe nut allergies, and for their safety, we must ensure that no products containing nuts are brought into school.

Please be vigilant when preparing packed lunches and snacks, checking ingredient labels carefully to avoid items such as peanut butter, Nutella, cereal bars with nuts, and other nut-based products. Even trace amounts can pose a serious risk.

Your support in this matter is deeply appreciated and helps us protect the health and wellbeing of every child in our care. Thank you for working with us to keep our school community safe.

## School Dinners/Packed Lunches

You are asked that once your child has started on school dinners or packed lunch they stay on that meal until the beginning of the next half term as the kitchen has to pre-order for the half term.

## Dressing for the Autumn Weather

As we move into the unpredictable Autumn months, we want to remind families of the importance of dressing children appropriately for the weather. At All Saints, our commitment to outdoor play through the OPAL (Outdoor Play and Learning) program means children are outside in all kinds of weather — and they absolutely love it! To help them enjoy their playtime safely and comfortably, please ensure your child comes to school each day with a coat or rainproof jacket. Layers are also helpful as temperatures can vary throughout the day.

Thank you for your continued support in helping our children make the most of their outdoor experiences!

## Firefly Learning to Serve

Firefly began their Learning to Serve project today. Lennon, Francis and Lucas visited Oakfield Day Service, a centre for adults with autism.

The three boys made hedgehogs using leaves. There was lots of chatter and even a chance for a sing-song. Pupils will continue to visit throughout the year.

Firefly have also been visiting stores in the local and wider community this week. Tuesday saw a visit to Home Bargains to buy snack. On Thursday they visited Crosby Coastal Park and Asda.

### Attendance and Punctuality

It is important that your child is on time for school each day, so that they can benefit from a full day's education. A reminder that holidays during school time are not authorised whatever the circumstances and a local authority fine will be issued. If you do take your child on holiday, please inform us before you go as it could become a safeguarding issue if we cannot contact you. Please report any absences before 9.00am via Seesaw or telephone call. If you have any difficulties getting your child to school and especially around late-ness please contact Mrs Kelly. If you are taking your child out of school during the school day, you must show a letter/email/appointment card. Please do your best to make appointments outside of school hours.

### Supervision After School Hours

We would like to remind you of our after-school supervision policy to ensure the safety and well-being of all our students. Please be aware that there is no supervision available for children after the end of the school day. It is important that all children are picked up promptly at the end of their school day.

For safety reasons, any child who is not collected by 3:30pm will be placed in our Night Owls provision. This ensures that all children are supervised in a safe environment until they can be picked up. Please note that there is a £10 charge for this service, which will be billed to parents. We appreciate your cooperation in ensuring that all children are picked up on time and that our school remains a safe and secure place for everyone. Thank you for your understanding and support.

### Absence Reporting - Seesaw

When reporting an absence please make sure you select both the 'Absence Reporting' and 'School Office' options as well as your class teacher. This will ensure the right staff are receiving the information needed and you are not being contacted unnecessarily. If you are sharing information regarding collection of a child or appointments they may have, please make sure you select the 'School Office' option as well as your class teacher. Thank you!

## The Exaltation of the Cross

The cross is a very special symbol of our faith because it reminds us of Jesus' death and resurrection. Today we celebrate the cross and remember how much God loves the world and all of us.

### A reading from the holy Gospel according to St John

Jesus said to Nicodemus:

“And no one has ever gone up to heaven except the Son of Man, who came down from heaven.

As Moses lifted up the bronze snake on a pole in the desert, in the same way the Son of Man must be lifted up, so that everyone who believes in him may have eternal life. For God loved the world so much that he gave his only Son, so that everyone who believes in him may not die but have eternal life. For God did not send his Son into the world to be its judge, but to be its saviour.”

In today's reading we hear that God loved the world so much that he sent us Jesus, to help bring us closer to him. God sent us his Son, even though he knew that Jesus would be put to death on the cross. God knew that Jesus Christ would rise again three days later.

Through his death and resurrection Jesus gave us all new life. He is the saviour of the world. This is what we celebrate today.

How does it make you feel to know that God loves us all so much that he was willing to send his only son, Jesus, to be with us here on earth, and to die for us?

Can you tell me two people who love you? And two people that you love? How should we treat someone that we love?

When we love someone we want what is best for them. We help them, we care for them, we try to make them happy. We support them when things are difficult and we celebrate with them when they are joyful.

God does not just love you and me, God loves everybody. God loves all people whether they are rich or poor, no matter where they live or where they come from. No matter whether they are healthy or ill, no matter the colour of their skin. We are all God's children. We are part of one global family.

We were made by God to love God and one another. God intended for us all to live our lives the best way that we can, but sometimes we do not make the right choices. Together we can build a better world where God's love for all shines through and all people have what they need to flourish.

We can share God's love by working together with all the people in our global family to build a better world. A world where all people have enough food to eat, clean water to drink, and somewhere safe to live, learn and grow.

How will you share God's love with others over the coming week?

Loving God,  
we thank you once more  
for the sign of your great love for us,  
that is Jesus Christ on the cross.  
Help us to share your love with others  
and to support one another to build a better world.  
Amen.
