School Meals

Dear Parents and Carers,
I am writing to update you once again regarding our kitchen boiler. Unfortunately, the repair company has informed us that the replacement part has still not been delivered. Please be assured this is not a situation I am taking lightly, and once the matter is resolved we will be reviewing the company we are working with.

As a result, we will continue to provide sandwich lunches on Monday, along with the option for children to bring a packed lunch from home if you prefer. We are also able to offer some limited hot food choices, and I want to reassure you that all children entitled to a school lunch will be catered for. We will provide a further update on Monday to confirm arrangements for the rest of the week, as we should know more about the delivery and repair timeline by then.

I sincerely apologise for the ongoing inconvenience and understand how frustrating this is. Thank you for your patience and support as we do our very best to manage the situation until repairs can be completed.

A gentle reminder that we are a peanut-free school if you are sending in a packed lunch.
Thank you, Mrs Dunn

A Gentle Reminder About Yard Time at Dismissal

We love seeing the children's excitement at the end of the school day, it's such a joyful time! To help keep that joy safe for everyone, we kindly ask parents and carers to stay close and supervise children during dismissal and collection.

Please encourage little ones to treat our yard equipment with care and respect. Sadly, a few resources have been damaged after school, and we'd never want anyone to get hurt while playing. With your support, we can make sure the yard remains a safe and happy space for all.

Thank you for helping us look after our school community, it really does make a difference!

United Against Bullying!

This week we join schools across the country in marking Anti-Bullying Week. It's a special time to remind ourselves that kindness, respect, and inclusion are at the heart of our school community.

Bullying has no place here. Every child deserves to feel safe, valued, and supported. Together, we can make sure our classrooms and playgrounds are spaces where differences are celebrated and friendships thrive.

We encourage everyone, children, staff, and families, to:

Choose kindness in words and actions
Stand together if someone feels left out or hurt
Speak up and tell a trusted adult if bullying happens
Celebrate respect for ourselves and others
Thank you for helping us build a school where every child feels they belong. When we stand united against bullying, we create a community full of care, courage, and kindness.

Allergies

I'd like to remind everyone of our commitment to keeping All Saints Catholic Primary School a safe and inclusive environment for all children. We have several pupils with severe nut allergies, and for their safety, we must ensure that no products containing nuts are brought into school.

Please be vigilant when preparing packed lunches and snacks, checking ingredient labels carefully to avoid items such as peanut butter, Nutella, cereal bars with nuts, and other nut-based products. Even trace amounts can pose a serious risk.

Your support in this matter is deeply appreciated and helps us protect the health and wellbeing of every child in our care. Thank you for working with us to keep our school community safe.

Flu Vaccination

Your child's annual flu vaccination is now due. This vaccination is recommended to help protect your child against flu. Flu can be an unpleasant illness and sometimes causes serious complications. Vaccinating your child will also help to protect more vulnerable family and friends by preventing the spread of flu. Even if your child had the vaccine last year, we still recommend that they have the flu vaccine again this year. Flu viruses can vary each winter, so it is recommended to have it again this year or they won't be protected.

If your child did not get their vaccination in school in October, the nurses are coming back in on 19th November for children who missed the last session.

Hive Learning to Serve

Children from the Hive classes are continuing their Learning to Service sessions with Oakfield Day Centre. The children braved the torrid conditions today and walked down to St Columba's and worked alongside adults with autism. With the support of Miss Ellen, Miss Valerio and Mr Farrell the children were able to add their ongoing work of creating an African Landscape. The children used glue to add grass and also hand drew elephants.

All Saints' Commitment to Healthy Packed Lunches

At All Saints, we're dedicated to nurturing not only the minds but also the bodies of our children. As part of our mission to promote healthy habits and well-being, we kindly ask families to support our approach to nutritious packed lunches.

What Makes a Great Packed Lunch?

- **Fruit and Vegetables:** At least one portion of each to keep energy levels up and minds focused.
- **Protein:** Non-dairy sources like lentils, chickpeas, hummus, or falafel are great options!
- **Oily Fish:** Such as tuna or salmon—once a week is ideal.
- **Starchy Foods:** Wholemeal bread, pasta, rice, couscous, noodles, wraps, or potatoes.
- **Dairy:** Milk, cheese, yoghurt, or fromage frais.
- **Drinks:** Water or pure fruit juice (no fizzy or sugary drinks, please).

Foods to Avoid or Limit

To support healthy choices and reduce sugar, salt, and saturated fats, we ask that you avoid or limit the following:

- Crisps, chocolate bars, sweets, processed meats or fizzy drinks
- Cakes, pastries, or biscuits

Instead, consider:

- Fresh or dried fruit
- Vegetable sticks
- Plain rice cakes or breadsticks
- Small cheese portions

Important Reminders

- **No nuts or nut products** of any kind due to allergies (this includes Nurella and Kinder Bueno).
- **No food sharing** to protect children with allergies.
- **No sweets** due to dental care.

Let's work together to ensure every child has the energy and nourishment they need to thrive during the school day! Attendance and Punctuality

It is important that your child is on time for school each day, so that they can benefit from a full day's education. A reminder that holidays during school time are not authorised whatever the circumstances and a local authority fine will be issued. If you do take your child on holiday, please inform us before you go as it could become a safeguarding issue if we cannot contact you. Please report any absences before 9.00am via Seesaw or telephone call. If you have any difficulties getting your child to school and especially around lateness please contact Mrs Kelly. If you are taking your child out of school during the school day, you must show a letter/email/appointment card. Please do your best to make appointments outside of school hours.

Absence Reporting - Seesaw

When reporting an absence please make sure you select both the 'Absence Reporting' and 'School Office' options as well as your class teacher. This will ensure the right staff are receiving the information needed and you are not being contacted unnecessarily. If you are sharing information regarding collection of a child or appointments they may have, please make sure you select the 'School Office' option as well as your class teacher. Thank you!

Supervision After School Hours

We would like to remind you of our after-school supervision policy to ensure the safety and well-being of all our students. Please be aware that there is no supervision available for children after the end of the school day. It is important that all children are picked up promptly at the end of their school day.

For safety reasons, any child who is not collected by 3:30pm will be placed in our Night Owls provision. This ensures that all children are supervised in a safe environment until they can be picked up. Please note that there is a £10 charge for this service, which will be billed to parents. We appreciate your cooperation in ensuring that all children are picked up on time and that our school remains a safe and secure place for everyone. Thank you for your understanding and support.

ATTENDANCE MATTERS

IF YOUR CHILD'S ATTENDANCE DURING THE SCHOOL YEAR...	YOUR CHILD WOULD HAVE LOST APPROXIMATELY...	OR THEY WOULD HAVE MISSED APPROXIMATELY...
WAS 95%	9 DAYS FROM SCHOOL	50 LESSONS
WAS 90%	19 DAYS FROM SCHOOL	100 LESSONS
WAS 85%	29 DAYS FROM SCHOOL	150 LESSONS
WAS 80%	38 DAYS FROM SCHOOL	200 LESSONS
WAS 75%	48 DAYS FROM SCHOOL	250 LESSONS

PLEASE ENCOURAGE PUNCTUALITY TO MAINTAIN SCHOOL ATTENDANCE

MAKE SURE YOUR CHILD DOESN'T MISS OUT

Prayer and Liturgy

A reading from the holy Gospel according to Luke 21:5-19

Some of the disciples were talking about the Temple, how beautiful it looked with its fine stones and the gifts offered to God. Jesus said, "All you see - the time will come when not a single stone here will be left in its place; every one will be thrown down."

"Teacher," they asked, "when will this be? And what will happen in order to show that the time has come for it to take place?"

Jesus said, "Be on guard; don't be deceived. Many men, claiming to speak for me, will come and say, 'I am he!' and, 'The time has come!' But don't follow them. Don't be afraid when you hear of wars and revolutions; such things must happen first, but they do not mean that the end is near."

He went on to say, "Countries will fight each other; kingdoms will attack one another. There will be terrible earthquakes, famines, and plagues everywhere; there will be strange and terrifying things coming from the sky. Before all these things take place, however, you will be arrested and persecuted; you will be handed over to be tried in synagogues and be put in prison; you will be brought before kings and rulers for my sake. This will be your chance to tell the Good News. Make up your minds beforehand not to worry about how you will defend yourselves, because I will give you such words and wisdom that none of your enemies will be able to refute or contradict what you say. You will be handed over by your parents, your brothers, your relatives, and your friends; and some of you will be put to death. Everyone will hate you because of me. But not a single hair from your heads will be lost. Stand firm and you will save yourselves.

Jesus was with his disciples in the temple. He told them that the temple would one day be destroyed and that there would be wars, earthquakes, and people hungry for food.

Can you think of places in the world today where there are wars, earthquakes and people are hungry for food?

Earlier this year there was a large earthquake in Afghanistan. Buildings collapsed, entire villages were destroyed and people died and were injured. Roads were cut off by rocks and landslides. Even before the earthquake, many families in Afghanistan were very poor and were struggling to get enough food.

CAFOD's local partners have been providing life-saving aid, food, shelter for people who have lost their homes and emergency blankets and kitchen sets.

Jesus told the disciples not to be afraid. He promised that he would be with them always and that they wouldn't be harmed if they put their trust in him.

Jesus is with us always, even in the hardest times. Jesus is in all people. Perhaps we can see Jesus in the person who helps us when we are struggling, in the person who inspires us to keep going, in the person who shows us that things can be different.

Next time you hear about an earthquake, flood or drought on the news what will you do to help the people affected? How will you help them to know that they haven't been forgotten? Can you see Jesus in all the people that you meet and those who you just hear about? What does that mean for how you will treat them?

All-powerful God,
nothing is greater than your love,
so may we trust in you,
no matter what difficulties and challenges we face.
Amen.
