

Lenten Activities

As part of our Lenten activities, we will be holding a Purple-Themed Own Clothes Day on Friday 27th February. Children are invited to come to school wearing their own clothes with something purple, which is the colour traditionally associated with Lent. This helps us reflect on this special time in the Christian calendar and encourages kindness, generosity, and reflection. We ask that children bring in a donation of £1, which will be donated to CAFOD. Thank you for your continued support.

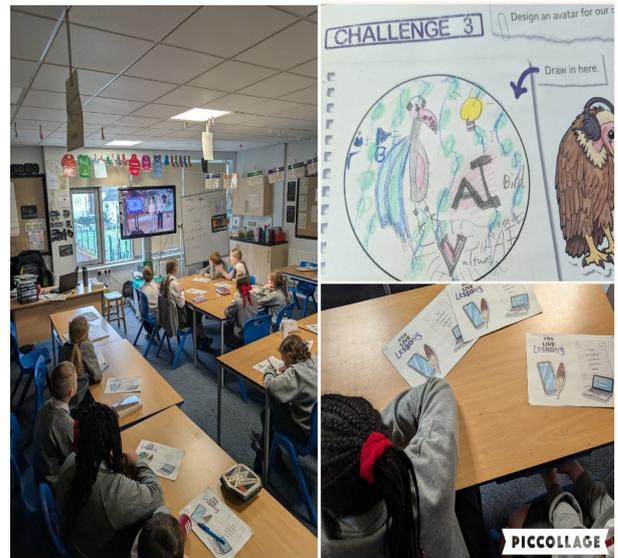

Your News!

On Sunday, Adaia in Y5 was chosen to be a flag-bearer for LFC at the WSL match against Aston Villa, which ended in a 4-1 win for Liverpool. She had an incredible day and even took part in an interview with the Girls With Dreams club project, where she added a brilliant quote to their confidence wall.

Safer Internet Day

On Tuesday, our school took part in Safer Internet Day, with children across all year groups exploring how to use technology thoughtfully and responsibly. They learned about artificial intelligence, what it is, how it works, and the importance of using it safely.

Community Wake and Shake

On Wednesday we held our first Community Wake and Shake, inviting parents from Reception, Y1 and Y2. It was a fantastic turnout, and we'd like to thank all the parents who joined us (even if a few dads looked slightly less enthusiastic!). It was a brilliant way to start the day.

KS2 parents — keep an eye out next half term for your invitation to join your own Wake and Shake session.

A Message from Kitty's Laundrette:

We're running a sound-making workshop where children can collect sounds from around the launderette and turn them into beats. No experience is needed — it could be especially exciting for children who enjoy music or for neurodivergent children who like sensory play and exploring different sounds.

The workshop is free for ages 6–12, but booking is required via Eventbrite: <https://www.eventbrite.co.uk/e/1982515007756?aff=oddtcreator>
Please see the poster attached.

Mobile Phones in School

A reminder that children should not bring mobile phones into school. Phones can easily distract from learning, pose online safety concerns, and may be lost or damaged during the school day. To help us maintain a safe and focused environment, please ensure your child does not have a phone with them.

If your child needs to carry a mobile phone for essential safety reasons, this must be discussed and agreed with their class teacher beforehand. Thank you for your support in keeping our school a calm and secure place for everyone.

Our News

If you have any news that you would like to share with us for our newsletter, please email Sharon McTigue at s.mctigue@allsaintsanfield.co.uk with a photo or a brief outline of the event - we would love to share it!

All Saints Sustainability Action Plan

All Saints is currently writing a new Sustainability Action Plan, and we're eager to involve our whole school community in shaping it. This work will help us strengthen our commitment to caring for our environment and creating meaningful, long-term change within our school.

We would love to have both parents and children involved, whether that's sharing ideas, helping with projects, or simply learning more about what sustainability could look like at All Saints. If you're interested in being part of this movement or would like more information, please contact s.kelly@allsaintsanfield.co.uk.

Together, we can build a greener future for our school.

Chinese New Year

A Lion and Dragon dance took place in the Parish Centre on Thursday. Children were amazed and captivated by the vibrant and noisy dance.

Allergies

I'd like to remind everyone of our commitment to keeping All Saints Catholic Primary School a safe and inclusive environment for all children. We have several pupils with severe nut allergies, and for their safety, we must ensure that no products containing nuts are brought into school.

Please be vigilant when preparing packed lunches and snacks, checking ingredient labels carefully to avoid items such as peanut butter, Nutella, cereal bars with nuts, and other nut-based products. Even trace amounts can pose a serious risk.

Your support in this matter is deeply appreciated and helps us protect the health and wellbeing of every child in our care. Thank you for working with us to keep our school community safe.

KIDS SOUND-MAKING WORKSHOP

Breaking the Silence on Hygiene Insecurity

Soap Making and conversation Workshops

CALL FOR PARTICIPANTS

Since 2025, Kitty's Launderette has been working with Liverpool John Moores University to research hygiene insecurity (also known as hygiene poverty) in the Anfield and Everton communities, exploring its impact on health and wellbeing and barriers to accessing support.

As part of the research, this soap-making workshop will teach you how to make a botanical soap using affordable, skin-friendly ingredients, alongside a conversation about hygiene insecurity and grassroots solutions.

If you live in the L4, L5, or L6 area and would like to take part, please scan the AM or PM session QR code below. Participants will receive a £20 Love2shop voucher upon completion. For further information, contact: community@kittyslaunderette.org.uk.

Attendance and Punctuality

It is important that your child is on time for school each day, so that they can benefit from a full day's education. A reminder that holidays during school time are not authorised whatever the circumstances and a local authority fine will be issued. If you do take your child on holiday, please inform us before you go as it could become a safeguarding issue if we cannot contact you. Please report any absences before 9.00am via Seesaw or telephone call. If you have any difficulties getting your child to school and especially around lateness please contact Mrs Kelly. If you are taking your child out of school during the school day, you must show a letter/email/appointment card. Please do your best to make appointments outside of school hours.

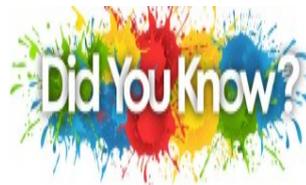

Absence Reporting - Seesaw

When reporting an absence please make sure you select both the 'Absence Reporting' and 'School Office' options as well as your class teacher. This will ensure the right staff are receiving the information needed and you are not being contacted unnecessarily. If you are sharing information regarding collection of a child or appointments they may have, please make sure you select the 'School Office' option as well as your class teacher. Thank you!

Supervision After School Hours

We would like to remind you of our after-school supervision policy to ensure the safety and well-being of all our students. Please be aware that there is no supervision available for children after the end of the school day. It is important that all children are picked up promptly at the end of their school day.

For safety reasons, any child who is not collected by 3:30pm will be placed in our Night Owls provision. This ensures that all children are supervised in a safe environment until they can be picked up. Please note that there is an £11 charge for this service, which will be billed to parents. We appreciate your cooperation in ensuring that all children are picked up on time and that our school remains a safe and secure place for everyone. Thank you for your understanding and support.

If your child is 30 minutes late every day they miss 2 and a half hours a week. That works out at 4 days a term and 12 days a year!

If your child is between 5 and 16 years old and is a registered pupil at school, it is your legal responsibility to make sure they attend regularly.

If your child misses 1 day of school a week they miss 7 and a half weeks a year. This is more than half a term of learning!

Prayer and Liturgy

Sixth Sunday in Ordinary Time

We are all God's children and we are all part of one big global family. Today we hear about how we must not argue with our brothers and sisters and how, if we do, we need to make peace with them. Let's think about making peace with all our brothers and sisters around the world.

A reading from the holy Gospel according to Matthew 5:17-37

"I tell you, then, that you will be able to enter the Kingdom of heaven only if you are more faithful than the teachers of the Law and the Pharisees in doing what God requires.

"You have heard that people were told in the past, 'Do not commit murder; anyone who does will be brought to trial.' But now I tell you: whoever is angry with his brother will be brought to trial, whoever calls his brother 'You good-for-nothing!' will be brought before the Council, and whoever calls his brother a worthless fool will be in danger of going to the fire of hell. So if you are about to offer your gift to God at the altar and there you remember that your brother has something against you, leave your gift there in front of the altar, go at once and make peace with your brother, and then come back to offer your gift to God.

"You have heard that it was said, 'Do not commit adultery.' But now I tell you: anyone who looks at a woman and wants to possess her is guilty of committing adultery with her in his heart.

"You have also heard that people were told in the past, 'Do not break your promise, but do what you have vowed to the Lord to do.' But now I tell you: do not use any vow when you make a promise. Do not swear by heaven, for it is God's throne.

"Just say 'Yes' or 'No' – anything else you say comes from the Evil One."

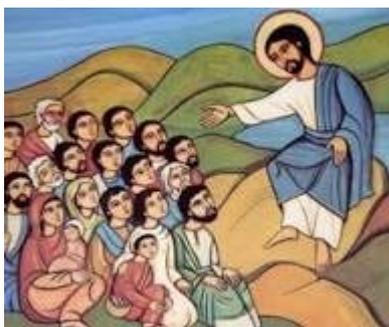

Jesus tells us that we must try hard not to get angry with our sisters and brothers or call them names. If we do argue with them we must try to make it up with them and become friends again as soon as possible. Have you ever argued with someone? How did it make you feel to argue with them? How did you make up with them? Was it easy or difficult? How did you feel once you were friends again?

We believe that we are all part of God's family. This is one big global family that includes all people wherever they are in the world. We believe that all people are our sisters and brothers and God asks us to try to treat them as we want to be treated.

In our global family we are all different. Look at the person sitting next to you. How are they different to you? How are they the same as you?

Sometimes people spend too much time thinking about the differences between us, rather than seeing that we are all part of the same global family. This can lead to arguments and problems. In some cases it can lead to war or fighting between countries which means that people get hurt and have to leave their homes. How do you think it would feel to live somewhere where there was a war? Do you know anyone who has had to leave their home and move somewhere safer? We are all different but we all have our own special gifts. What is your special gift? Are you good at sharing? Are you good at making friends? Are you a brilliant singer, dancer, builder, scientist? We can use our special gifts to work together to make the world a fairer and better place for everyone rather than fighting with people who are different.

This week, can you try not to argue with or hurt anyone? How will you try to make peace with others this week?

*God of mercy and peace,
forgive us when we get angry with others
and help us to make our peace with them
so that we can all work together
to make a better world.*

Amen.
