Well Done Year 6!

Well done to all our Year 6 pupils on completing your SATs! You have shown determination, resilience, and a brilliant attitude throughout the entire process. We are incredibly proud of the effort you have put in, not just this week, but all year long! SATs measure a small part of who you are. Your kindness, creativity, humour, teamwork, and curiosity matter just as much, and you've shown those in abundance.

Enjoy the exciting weeks ahead, you've earned them!

May Half Term

A reminder that school closes next Friday, 22nd May for half term and reopens on Monday 1st June.

Fidget Toys

Following feedback from our previous communication, we are updating our approach to the use of 'fidgets' in school. We understand that many children have fidget-type toys at home, and when used appropriately these can support attention, focus and self-regulation. However, they can also become a distraction to learning if not used carefully. Going forward, children may bring fidgets in from home, but these must be small, discreet and not make any noise. Please note that school cannot be responsible for any lost or damaged items. Class teachers will monitor their use closely and make decisions based on whether they are having a positive impact or becoming a distraction, and we ask that parents trust their professional judgement. Our priority is to ensure the best possible conditions for learning in the classroom for all pupils.

MHST Coffee Morning

MHST Coffee Morning reminder 9:00 on Wednesday morning 20th May. If you would like to attend please let Mr Marsden know in advance but this is available to all parents from Years 5 and 6 and will be based on transition to secondary school.

Stay Sun Safe at School!

With the warmer weather upon us, we want to ensure that all our children stay safe while enjoying their time outdoors.

We kindly remind parents to send their children to school with a **suitable sun hat** each day. Hats provide essential protection from the sun, and we encourage children to wear them whenever needed. If a child forgets or misplaces theirs, we do our best to provide spare hats so that everyone can participate safely in outdoor activities.

Similarly, **sunscreen** is an important part of sun safety. We ask parents to provide an appropriately protective sunscreen for their child to use throughout the school day. This can either be a whole day sunscreen or a bottle with the child's name in sent into school to be reapplied. If a child forgets, loses, or runs out of their own, we make additional sunscreen available for outdoor activities. This is the sunscreen we currently use:

Richmond Park Consultation

Children from Hummingbird class and the Hive took part in a consultation regarding the redevelopment of Richmond Park. Noah said "Wobbly wiggly slides" Daniel commented "I like this one because it's spacious."

Healthy Lunches

We are continuing to place a strong emphasis on healthy eating across our school, especially as we prepare for the new government guidance launching in September. Our staff spend lots of time talking with the children at lunchtime about what makes a balanced, nourishing meal, and it has been wonderful to see so many pupils making thoughtful choices.

We kindly ask families to support this by providing healthy packed lunches wherever possible. Children who make excellent choices will be recognised and celebrated.

We love seeing them take pride in looking after the bodies God has given them!

Thank you for working with us to promote healthy habits that will last a lifetime!

29th April 2026

Dear resident / business owner

Liverpool City Council – Highways Maintenance –Walton Breck Road

Further to our previous correspondence, as part of Liverpool City Councils Highways Planned Maintenance, we are currently undertaking drainage replacement and minor footway reconstruction on Walton Breck Road between Arkles Road - Breck Road and following completion of these works, we will be undertaking carriageway resurfacing works under phased road closures to complete these works safely.

We apologise in advance of the works for any disruption or inconvenience these may cause to yourselves, but the works are essential to maintain the safe use of the roads and footways in the future.

Scheduled Works Details:

Phase 1 – Arkles Road to Robarts Road

 **Date:** Monday 18th May 2026 to Friday 22nd May 2026.

 **Time:** Between 08:00 and 17:00

Phase 2 – Robarts Road to Breck Road Junction

 **Date:** Tuesday 26th May 2026 to Friday 29th May 2026.

 **Time:** Between 08:00 and 17:00

Due to the nature of these works, access to and from properties on Walton Breck Road will be restricted throughout the day. To facilitate a smooth and efficient process, we kindly ask that **all vehicles be parked in an alternative location for the duration of the works during the time mentioned above.**

We will make every effort to minimise disruption and complete the planned works as swiftly as possible. However, please note that the scheduled date is provisional and may be subject to change due to unforeseen circumstances such as adverse weather conditions etc.

If you require further information or have any concerns, please feel free to contact **Callum Riley** via email at callum.riley@dowhigh.co.uk between **08:00 and 16:30 on weekdays** or speak directly to the site supervisor on the day of the works.

We sincerely apologise in advance for any inconvenience this may cause and greatly appreciate your patience and cooperation while we carry out these essential maintenance works.

Thank you for your understanding.

Kind Regards

On Behalf of Liverpool City Council

Attendance and Punctuality

It is important that your child is on time for school each day, so that they can benefit from a full day's education. A reminder that holidays during school time are not authorised whatever the circumstances and a local authority fine will be issued. If you do take your child on holiday, please inform us before you go as it could become a safeguarding issue if we cannot contact you. Please report any absences before 9.00am via Seesaw or telephone call. If you have any difficulties getting your child to school and especially around lateness please contact Mrs Kelly. If you are taking your child out of school during the school day, you must show a letter/email/appointment card. Please do your best to make appointments outside of school hours.

Absence Reporting - Seesaw

When reporting an absence please make sure you select both the 'Absence Reporting' and 'School Office' options as well as your class teacher. This will ensure the right staff are receiving the information needed and you are not being contacted unnecessarily. If you are sharing information regarding collection of a child or appointments they may have, please make sure you select the 'School Office' option as well as your class teacher. Thank you!

Supervision After School Hours

We would like to remind you of our after-school supervision policy to ensure the safety and well-being of all our students. Please be aware that there is no supervision available for children after the end of the school day. It is important that all children are picked up promptly at the end of their school day.

For safety reasons, any child who is not collected by 3:30pm will be placed in our Night Owls provision. This ensures that all children are supervised in a safe environment until they can be picked up. Please note that there is an £11 charge for this service, which will be billed to parents. We appreciate your cooperation in ensuring that all children are picked up on time and that our school remains a safe and secure place for everyone. Thank you for your understanding and support.

If your child is 30 minutes late every day they miss 2 and a half hours a week. That works out at 4 days a term and 12 days a year!

If your child is between 5 and 16 years old and is a registered pupil at school, it is your legal responsibility to make sure they attend regularly.

If your child misses 1 day of school a week they miss 7 and a half weeks a year. This is more than half a term of learning!

Prayer and Liturgy

Seventh Sunday of Easter

We hear Jesus praying for his friends and for us. He wanted us to be one, to be united in love, as closely as Jesus and God the Father are united in love. So let's think about how we can be more like that.

A reading from the holy Gospel according to John 17:1-11

After Jesus finished saying this, he looked up to heaven and said, "Father, the hour has come. Give glory to your Son, so that the Son may give glory to you. For you gave him authority over all humanity, so that he might give eternal life to all those you gave him. And eternal life means knowing you, the only true God, and knowing Jesus Christ, whom you sent. I have shown your glory on earth; I have finished the work you gave me to do. Father! Give me glory in your presence now, the same glory I had with you before the world was made.

"I have made you known to those you gave me out of the world. They belonged to you, and you gave them to me. They have obeyed your word, and now they know that everything you gave me comes from you. I gave them the message that you gave me, and they received it; they know that it is true that I came from you, and they believe that you sent me.

"I pray for them. I do not pray for the world but for those you gave me, for they belong to you. All I have is yours, and all you have is mine; and my glory is shown through them. And now I am coming to you; I am no longer in the world, but they are in the world. Holy Father! Keep them safe by the power of your name, the name you gave me, so that they may be one just as you and I are one."

In today's reading Jesus is praying for his friends during his Last Supper with them, on the night before he died.

Jesus prayed to his Father, that his friends "may be one just as you and I are one." What do you think he meant?

Jesus wanted his disciples to love one another, to be united with each other, to be together – just as closely as Jesus and God the Father are together.

Jesus prayed for us too. He wants us to be united, together, loving one another.

What sort of things might we do if we are united?

We might spend time together, be at peace with each other, listening to each other and helping each other. We would want what is best for the other person – loving one another as much as we love ourselves.

What do you love to have or do? Would you be able to help someone else enjoy the same?

Perhaps you have a favourite book and you could read it to your little brother or sister. Perhaps you enjoy making music and you could invite a friend or family member to join you in singing or playing an instrument.

Do you have any other ideas? How else could we come together with others?

In a special letter called *Laudato Si'*, Pope Francis asked us all to join together to care for our earth and each other. Watch and share our animation to find out more about *Laudato Si'*:

<https://cafod.org.uk/education/primary-teaching-resources/laudato-si-for-children>

Earlier this year, hundreds of people across England and Wales joined together to take part in the Big Lent Walk, to raise money for life-saving water for people around the world.

What could you do in this special time after Easter to become more united – or 'at one' – with other people?

*God of love,
help us to be like Jesus
and work together with others
to build a better future for all people.
Amen.*
