Community Week

We're excited to share the dates for our upcoming Community Week, and we'd love your support in helping us make it a fantastic experience for all of our children. We have a range of events planned, and the week will finish with our Summer Fair.

Here are some of the activities we are planning:

Year-group community projects - Each year group will be working with their Learning to Serve community partner on a project during the week. We're really looking forward to seeing our pupils active in the community.

Charity Colour Run - We are exploring the possibility of holding a colour run, depending on cost, permissions and securing a suitable venue. We will share more information once plans are confirmed.

Cultural Café - With so many cultures represented in our school community, this will be a wonderful opportunity to celebrate through food. Some Nigerian parents have already offered to cook a dish, and we would love to include food from other cultures too—Polish dishes, Spanish churros, Scouse favourites, salt and pepper chicken, and anything else families may wish to contribute. If you would like to be involved, please let us know.

KS1 Parents' Wake & Shake Wednesday 24th June -

A fun, energetic morning session where KS1 children and their parents can get moving together.

KS2 Parents' Wake & Shake Friday 26th June -

A lively start to the day for KS2 pupils and parents to join in some upbeat exercise.

Parents vs Pupils Football Match - A friendly match where parents can take on the pupils. Always a highlight and great fun for everyone involved.

Summer Fair - We'll have a range of stalls and games for families to enjoy.

If you have any tombola donations, please drop them off at the school office.

We hope to invite the emergency services, so if anyone has contacts, we'd appreciate your help.

Some of our pupils will be running a stall linked to their net-zero fashion project with Kitty's Laundrette.

We're planning to have food options such as burgers and hot dogs, and we welcome any further suggestions.

Dates: Community Week: Week beginning 22nd June

Summer Fair: Friday 26th June, likely from 1–4pm

Thank you for your continued support. We're really looking forward to a brilliant week together.

Stay Sun Safe at School!

With the warmer weather upon us, we want to ensure that all our children stay safe while enjoying their time outdoors.

We kindly remind parents to send their children to school with a suitable sun hat each day. Hats provide essential protection from the sun, and we encourage children to wear them whenever needed. If a child forgets or misplaces theirs, we do our best to provide spare hats so that everyone can participate safely in outdoor activities.

Similarly, sunscreen is an important part of sun safety. We ask parents to provide an appropriately protective sunscreen for their child to use throughout the school day. This can either be a whole day sunscreen or a bottle with the child's name in sent into school to be reapplied. If a child forgets, loses, or runs out of their own, we make additional sunscreen available for outdoor activities.

Attendance and Punctuality

It is important that your child is on time for school each day, so that they can benefit from a full day's education. A reminder that holidays during school time are not authorised whatever the circumstances and a local authority fine will be issued. If you do take your child on holiday, please inform us before you go as it could become a safeguarding issue if we cannot contact you. Please report any absences before 9.00am via Seesaw or telephone call. If you have any difficulties getting your child to school and especially around lateness please contact Mrs Kelly. If you are taking your child out of school during the school day, you must show a letter/email/appointment card. Please do your best to make appointments outside of school hours.

Absence Reporting – Seesaw

When reporting an absence please make sure you select both the 'Absence Reporting' and 'School Office' options as well as your class teacher. This will ensure the right staff are receiving the information needed and you are not being contacted unnecessarily. If you are sharing information regarding collection of a child or appointments they may have, please make sure you select the 'School Office' option as well as your class teacher. Thank you!

Supervision After School Hours

We would like to remind you of our after-school supervision policy to ensure the safety and well-being of all our students. Please be aware that there is no supervision available for children after the end of the school day. It is important that all children are picked up promptly at the end of their school day.

For safety reasons, any child who is not collected by 3:30pm will be placed in our Night Owls provision. This ensures that all children are supervised in a safe environment until they can be picked up. Please note that there is an £11 charge for this service, which will be billed to parents. We appreciate your cooperation in ensuring that all children are picked up on time and that our school remains a safe and secure place for everyone. Thank you for your understanding and support.

If your child is **30 minutes** late every day they miss **2 and a half hours** a week. That works out at **4 days** a term and **12 days** a year!

If your child is between 5 and 16 years old and is a registered pupil at school, it is your legal responsibility to make sure they attend regularly.

If your child misses **1 day** of school a week they miss **7 and a half weeks** a year. This is more than half a term of learning!
