

ALL SAINTS REWARDS

All Saints RC School believes that all students should be rewarded for effort, achievement, positive behaviour and contribution to lessons and extra-curricular activities. As well as verbal praise and encouragement you will also receive credits from all members of staff.

Credits:

They will be given as a sticker in your planner and will be recorded electronically.

Credits are awarded for:

- Demonstrating the school values (forgiveness, compassion, truth, respect, justice, service, gentleness, humility, stewardship, witness) through conduct in lessons and around school
- Effort which exceeds expectations in lesson
- Homework which demonstrates excellent effort

Credit challenge:

The Form group in each year awarded the most credits in the term will win a home clothes day.

Star Award:

This will be given out in assembly each week to one boy and one girl. You will be nominated for this award for your effort in and out of lessons by your teachers.

Attendance rewards:

Attendance will be monitored in Form time each week with stamps, credits and prizes awarded as part of the 'Attendance Streak'.

High levels of attendance and improved attendance will be rewarded throughout the year including spot prize draws, raffles and access to BFL trips. At the end of the school year there will be a breakfast with the Senior Leadership Team for the Form with the highest attendance and also for all pupils who have achieved a 100% attendance throughout the year.

Reward trips:

At the end of each term there will be a reward trip for all those students who have:

- Been awarded the required number of credits during the term
- An Active Learner Score average of 3 or above
- Has excellent attendance in school
