Dear Parent/Carer

I am delighted to be able to share our final Ofsted report with you. It has been a long and extremely thorough process and we are therefore confident that the final outcome of OUTSTANDING is a true reflection of our very special school community. A link to the report can be found [here](#).

The first paragraph of the report encapsulates perfectly the message that runs throughout. "Pupils are immensely proud to attend this caring school where everyone is accepted for who they are. Pupils care deeply for others. They exude tolerance, respect and compassion in all that they do. The school's values of faith, love and unity underpin every aspect of school life. Pupils, including students in the sixth form, thrive at All Saints Catholic School."

I will leave you to read the remainder of the report at your leisure and have deliberately kept my input brief, but it is important to highlight how proud I feel of the comments made about our young people as well as the focus on the superb teaching, personal development and pastoral care that our staff deliver on a daily basis.

Tonight, we will be welcoming over 800 people to our Sixth Form Open Evening and it will be a joy to be able to share, that if they apply to attend All Saints for post 16 provision, they will be joining an outstanding school with an outstanding sixth form.

The Ofsted report also refers to site security at the upper site and we are grateful to the estates team from NPCAT for project managing the installation of fencing following the allocation of additional funding that the school received from the Department of Education to allow this to happen.
